Footprints in the Sand

One night I dreamed I was walking along the  
beach with the Lord. Many scenes from my life  
flashed across the sky.

In each scene I noticed footprints in the sand.  
Sometimes there were two sets of footprints,  
other times there were one set of footprints.

This bothered me because I noticed  
That during the low periods of my life,  
when I was suffering from  
anguish, sorrow or defeat,

I could see only one set of footprints.  
So I said to the Lord, "You promised me Lord,  
that if I followed you, you would walk with me  
always.

But I have noticed that during the most trying  
periods of my life there have been only one set  
of footprints in the sand.

Why, when I needed you most, have you not  
been there for me?"

The Lord replied, "The times you have seen only  
one set of footprints, is when I carried you."  
-Mary Stevenson
