Dear Supreme Family,

Mr. John Marcucci, a Rainbow advisor in South Carolina, has graciously had Supreme Coins cast. These beautiful coins will benefit our HVAC system at the Supreme Temple.

Please order, pre-paid for \$10.00 each, through John and make your checks out to him. He will in turn send you the coins. There will be no tax or postage due. To keep from having any cost of shipping and duty taxes, any International jurisdictions that are interested in receiving the coins can send a pre-order list to Mr. John Marcucci for pick-up at the Supreme Session in Virginia in 2018.

This can be a huge profit for us with your help.

Supreme Worthy Advisor
