Greetings Colorado  
Rainbow!

I am so excited to be traveling the state with all of you and seeing your beautiful faces! I have had so much fun so far! We are all so excited to see our baby Assembly growing and thriving. It was also so cool to hang out with the ladies of Gunnison the night before my very first Official Visit! The GWA Day of Fun at the Rockies was super awesome (the Rockies won!). Supreme Assembly was an incredible experience and I was absolutely humbled to be representing our amazing jurisdiction and I had so much fun meeting girls from all around the world. The School of Instruction, directed by Mrs. Hebert, our Ritual Director, was so new and innovative and I really enjoyed watching all of you participate and shine like the stars you are! The Grand Junction OV was also a blast, and I want to sincerely thank all those who participated for

### *“Light Your Own Path”*

raising over \$400 for our state service project, Shield 616.

In addition to all of the fun events we've had so far, we will be having even more during the next few months. One of the events I'm most excited about is the GWA Day of Fun at Elitch Gardens, which is happening on September 29<sup>th</sup>! This is a great opportunity to expose our friends to how fun Rainbow is and it will also be a bonding experience for everyone! On October 6<sup>th</sup>, we will be having an Official Visit at Columbine Assembly! On October

14<sup>th</sup>, we will have the pleasure of finally constituting Gunnison Assembly #99! This is going to be a really fun experience and I hope you all will try to make it! On October 27<sup>th</sup>, there is a Halloween party and dance in Denver that is sponsored by the three Masonic Youth Groups. From what I know, this is going to be a really fun event and I would love to show all of our Rainbow Awesomeness! On November 3<sup>rd</sup>, we'll be traveling to Monte Vista for their Official Visit. There's also a Christmas Party on December 8<sup>th</sup> at the ESMRC, which is sponsored by Colorado Rainbow. I hope to see as many of you at as many events as possible!

Thank you all for your dedication to and love for Rainbow. You are truly what makes Rainbow amazing.

Service,

Hello to Colorado Rainbow!

What a blast it has been for the beginning of this grand year. To start off the year, most of us traveled to our first Official Visit at Gunnison. Hearing all the laughter during lunch was so exciting! It was also a blast to see all of the smiling faces and the work you ladies did was wonderful.

We then had fun in Colorado Springs learning and laughing during School Of Instruction. I really enjoyed how the girls got the chance to

participate in the "Initiation-you direct game" it was all exciting.

I would like to welcome Grand Junction's newest member Paige who was initiated at their Official Visit. What a blast we had at the picnic and the walk after the Official Visit. I am looking forward to the rest of Jenna's travels and events. I can't wait to see you all soon!

Keep on smiling,  
Adrianna C.

*Congratulations Emma!  
"Rainbow Sister of the Year 2018"*

**Nominated  
by Kayla**

**Emma  
Rainbow Sister  
of the Year  
2018**

My name is Kayla C. and I am from Columbine Assembly #96.

I would like to nominate Emma H. to be the Sister of the Year. Emma is also from the same Assembly as me, Columbine #96. She impresses many people like me and is a great influence.

Emma has impressed me so much because of her love, devotion, friendship, and loyalty. She is a loyal friend that people can trust. Emma cares about many things and she shows her love and devotion into Rainbow and her friendship.

Emma's characteristics/attitude shows confidence and gratitude and is very positive about many things. I would like to mirror Emma's gratitude to everything and everybody. For example, she welcomed me into Rainbow by making me a handmade ritual case to put all my important Rainbow things in.

I believe a Rainbow Girls' appearance should be appropriate to the dress code. That is exactly what Emma shows. For example, her dresses are always appropriate and are also cheerful to match her personality well.

Emma also represents the teachings of Rainbow well. She takes in the teachings of Rainbow and uses them to show to other people and uses them in her daily life. She shows gratitude and love, respects nature and the flag and does service in as many different ways as possible.

One thing I like about Emma's communication with the girls and adults is that she is very understanding. One thing that I have learned from Emma's

communication is to not be afraid to talk to new people you do not know. Not being afraid to talk to people that you do not know is good because that is a way that you can make new friendships that can last forever.

I am also very impressed about Emma's memorization work. Before meetings or OVs Emma always goes back over her parts as many times as she needs to before she gets it down. Because of the practice she puts into Rainbow she can show everything she knows and has learned. In Monte Vista I heard so many people saying what a wonderful job she did. While attending the Frank Marshall competition one thing that impressed me is how well Emma did on the super seven. She continued on and on and on throughout the seven bow stations. I can not wait for the day that I am able to memorize all the seven bow stations like her. Her memory work impresses me because I can tell that she puts her heart and soul into it.

Since I have become a member I have attended 8 regular meetings, 5 Official Visits, 6 special events and outings such as helping with the Mystic Feast lunch and the School of Mines lunch, GWA Scavenger Hunt, 2 Installations, and the Frank Marshall Competition with Emma.

Please consider Emma for the Sister of the Year award. She is a wonderful influence to many people and she always tries her best so she does her best.

Rainbow Smiles,  
Kayla C.

Ladies,

It is so fun to watch you all grow and flourish and enjoy all that Rainbow has to offer I have so much gratitude in my heart for the hard work that is put in by each of our Colorado Members.

Grand Assembly exceeded my expectations. Many thanks to the Grand Planning Committee and all that help make it such a success. I watched as so many of our girls were inspired by the loving spirit of our GWA Anna-Marie in her leadership role.

How excited we are to start our new Grand year with GWA Jenna teaching us to “Light our own path”. She has been presented at several Masonic functions and impressed the crowds with her speaking ability, grace and kindness.

Supreme Assembly 2018 will always be a special memory. Watching our 5 Colorado members participate in their floor work duties, the Cavalcade of Flags, International

Choir, Jurisdictional Skits, and competitions made the buttons on my shirt want to pop off with pride. What a great experience to see girls making friends from around the world and watch the quality of our Colorado members in the way they presented themselves.

Jenna’s many fun events and OV’s are coming up and I hope that you will travel and become better friends as you visit with all the girls throughout the state.

Please remember our events at the ESMRC. Coming up is Reverse Trick or treating, and decorating and un-decorating the masonic home for Christmas. The Ugly Sweater Christmas Party being hosted by the Colorado Masonic Tri-youth groups is an event I hope you will try to attend. Many of the residents do not have family and this is their only Christmas party and only gifts they will receive. Please take time to talk with them, sing songs with them and bring back the joys of the season with your smiles and friendship.

A Rainbow of blessings to you all,

Momma G.

Shalom everyone, my name is Rebekkah and I am Fort Collins' Covenant Reporter. I've been in Rainbow for 5 years and love it. I asked for this position because I love writing and keeping our sisters informed in fun and interesting ways! When I'm not looking after my nieces and nephews, I enjoy writing, co playing, and listening to my favorite musical sound tracks.

Currently, my favorite book is *Jane Eyre* by Charlotte Brontë; a classic with gothic and romantic elements. I like to cook with spice and bake with fruit, and sometimes I bake with spiced fruit. I am excited to share with y'all all of Pikes Peak's happenings over the next year!

Hi from Amber! I am from Monte Vista. I joined Rainbow not knowing how much it could offer me. Since I've joined, I learned more responsibility and more importantly, I know the importance of sisterhood. Rainbow sisters are special because no matter the situation, you can turn to them for anything. We have all bonded through long car rides, sleepovers and dress shopping and there's never a dull moment. I couldn't ask for better friendships and memories.

# Assembly News from our Covenant Reporters

## Fort Collins #2

Hello Sisters of Colorado Rainbow! I'm coming to you live from the depths of the jungle after our Assembly's return from the outer reaches of space. Since we last broadcasted to you, we have traveled to Homecoming and then to the *Dress for Success* fashion show. We had a fantastic time visiting the sweet world of Grand Assembly and have begun to Light Our Own Path to follow our new Grand Worthy Advisor Jenna. After Grand Assembly, we traveled over the mountains to visit with Gunison at their official visit.

School of instruction was informative and fun; we are excited about some new changes in Colorado Rainbow this year.

We have also worked a Pepsi booth at the Larimer county fair in Fort Collins. In other news, our Assembly #2 is hosting a *LuLaroe* fundraiser in October. We'd like to congratulate Abbey on a fantastic term traveling through space and time with Doctor Who. Currently we are swinging on vines, following our new Worthy Advisor Sarah and can't wait to see what the term ahead

holds for us.

Since Grand Assembly, Pikes Peak has been busy. Annika had the first official meeting of her term on June 21st, and since then, we have served at a Pikes Peak Posse dinner, had our Founder's Day picnic (indoors), volunteered at Care and Share, had a pledge meeting, had a Spa Day / movie day, elected a new Faith and initiated a new girl!

We had our Founder's Day picnic on July 15th and unfortunately,

since it was raining, we had to move it from Fox Run Park to the Hinkles' home. Even though we couldn't have it at the park, it was still a lot of fun!

We volunteered at Care and Share on July 17th and sorted food for disadvantaged and elderly people in the Pikes Peak region until our time was up. After the sorting, we went and ate at Panera Bread; I highly recommend their blood orange lemonade.

At our meeting on August 16th, we were busy! We initiated Miss Gabby, who was in our pledge program for years, we love her! We also elected a new Faith; Miss Elizabeth who will be a great leader! The installation of our next Worthy Advisor; Miss Abby is September 30th if anyone wishes to come!

# Littleton #5

What a summer! Littleton Assembly had a great time at Grand Assembly. We are sad to lose 3 girls to majority, but are excited for our future.

Littleton received several honors at Grand Assembly. Summer H. was awarded the Community Service Award, Alex H. was awarded the Leadership award, and the Assembly took home the Scholarship and Service bears. We've heard rumor that another Assembly wants the bears next year. So we hope they can raise more money for these funds and win the bears next year!

Summer has rolled by so fast and now we're all back to school. Hope everyone had a great summer and we look forward to hosting you all at our OV in March.

*Grand Junction #12*

Grand Junction says "Hi" to all our sisters across the state!

It was good to be with everyone at Grand Assembly. We are also pleased so many girls were able to join us at our Official Visit. We were happy that we were able to help Gunnison with their OV and they helped us with ours. It was also a nice way to end the day with a picnic with the Fruita Lodge and our "5K" for Shield 616. We are proud to have a \$425 donation for Jenna's Service Project.

Our Summer was full. Two weeks after Grand our entire Assembly drove to Salt Lake City...another 5 hour road trip one way! We spent the afternoon at the Hoagle Zoo and swimming. The following

morning we went to the Shrine Hospital, the object of our trip. We saw a bright, beautiful place that is welcoming to all. We toured the labs that make special equipment for the children they serve to help them have normal lives despite orthopedic conditions. All of these services are free of charge to the patients and their families because of the hard work and big hearts of our Shriners. We are proud to be a part of the activities of our local Shrine group. We are so very grateful for our local Shrine Club and Rainbow Dad, Jerald, for paying for this trip entirely.

During our next meeting we figured out how to work sewing machines and made ourselves a pillowcase. It was a bit of magic and our crooked

sewing didn't matter too much. Our plan is to make pillowcases for our local battered women/family shelter. We have received donations of supplies but need to find time to "put the petal to the metal" and get them done. It was fun!

We celebrated Founders Day with an evening at Highline State Park. At first it looked like we might get rained off the lake but the clouds disappeared and we had a beautiful evening of snacks, swimming, and watching the sun go down. We were able to include Raindrops (pledges) in all our Summer activities and we will soon be having some join us as sisters.

Rainbow Love to All,  
*Cora G.*

# Monte Vista #23

Greetings Colorado Rainbow Sisters!

We have been extremely busy in Monte Vista since Grand Assembly. First off, each of us had an absolute blast at Grand Assembly this year and wish Anna-Marie continued support through her new endeavors. We would like to also say that we are looking forward to Jenna's Term as GWA.

In July we started a new term with Alyson N. installed as Worthy Advisor. Her theme is "Strong is the New Beautiful". We had a wonderful time as some of us traveled to Gunnison for the 1st Official Visit, had the largest number of members present and were able to take home "Star Dust", the traveling unicorn mascot (we got to name her!)

So far we have served dinner for our local Sand Dunes Shriner's. It was wonderful to get to know each of them and support them in what they are doing. The next day we spent the day at our local carnival to get some sister bonding time with a sleepover at our Mother Advisor's house. We were going to have a campout, but we got rained out, however we still made it work. Next, we served breakfast at our local 4H Fair and supported our sisters that also participated in the fair itself.

Then in August, we had two members travel to School of Instruction and they brought back valuable information on changes for the rest of the Assembly. We had the honor of attending one of our Eastern

Star Board Member's wedding reception and had a sleepover at the Masonic Park in South Fork. We got up early and cleaned up the reception hall for her. August was also bitter-sweet as we watched one of our sisters go off to College. She will be dearly missed in our Assembly, but she has promised to come visit often and will stay active in Rainbow with Grand Junction Assembly while attending Mesa University -Good Luck Alyson!

We are busy planning our upcoming Official Visit in November. We also will be serving at our Masons Venison Dinner which is something we enjoy, because it keeps us in touch with our Masonic Sponsors.

Rainbow Love,  
*Amber M.*

*Columbine #96*

This year, Columbine #96 has sent not one, but two girls, to college! Marisa is attending the Upper Iowa University and Adrianna is attending Red Rocks Community College. Marisa received a full ride scholarship through lacrosse. Adrianna received the Rainbow Scholarship and an Eastern Star Glenn Monroe Scholarship!

Our other members were also excited about the 2018-19 school year -- Kayla, Maya and Sofia are in their first year of middle school; Desiray and

Katie are in their second year of middle school; Brooke and I are in high school and Heidi is planning to attend a trade school.

Adrianna is currently GWAA on the path to GWA! Columbine is so excited for her! Her sister; Kayla, is a strong supporter for Adrianna. She was a good supporter even before she was initiated into Columbine. She is excited about making a goal to do the Super Seven starting with her present station Nature

and is a Grand Representative to Florida and West Virginia.

With the help of my family, my Installation in July, was wonderful. I am expecting to be busy in the next months with all of my planned activities.

*Rainbow Hugs,  
Emma H.*

## Gunnison #99

Gunnison Rainbow has been fairly busy since the last Covenant report. We've had Grand, our Official Visit where we initiated Dayna, and our Installation. As the term wrapped up we continued our service project for the food pantry. With our previous Worthy Advisor, Alex leaving for college, we now have Tyler as our Worthy Advisor and Aurora as our Worthy Associate Advisor.

During Grand Assembly

we did several activities with girls all over the state. We did fun activities and had meetings. Some of the fun activities we did were laser tag and a dance party celebrating Anna-Marie stepping down from Grand Worthy Advisor (GWA) and Jenna becoming the new GWA. For the meetings we had a couple open meetings and a couple closed meetings all of which were very long and very enjoyable.

We had a supremely suc-

cessful Official Visit. We did a great job learning and performing our parts and we worked extremely hard during the re-initiation. Jenna, our Grand Worthy Advisor attended the meeting and was given a gift from the Assembly.

Rainbow Girls have been booming the last few months and I hope it continues to flourish and grow.
