Hello Colorado Rainbow!

What an amazing, fun-filled year it's been.

You all have been so wonderful and I've sincerely enjoyed seeing all of you at the various events this year so far. It was such a fun time at Elich Gardens for the GWA Day of Fun! Thank you to all who made the trip to be there. The haunted house was extra spooky and the day spent with all of you was so great! The Columbine OV was so much fun and the movie, shrinky dinks, and Papa Murphy's Pizza was a great way to get to know one another. It was an incredible honor to be a part of the Constitution Ceremony for our newest OFFICIAL Assembly, Gunnison #99!

Thank you to the ladies and adults who traveled that day even though many of us were met with some snowy weather! We are so excited for Gunnison Assembly and know that they will go far! The Masonic Youth Halloween

### *"Light Your Own Path"*

Party was also a blast. Monte Vista's OV was so much fun and the food was delicious, as always. Again, thank you all for attending these events.

I would also like to thank all of you for your love, support, hospitality, and kindness during my travels. Thank you for your donations to Shield 616 - we are well on our way to sponsoring one or two officers/

firefighters! I would love to see all of you at some of our upcoming events. In February, we will have our Frank Marshall Ritual Competition on February 2<sup>nd</sup> and we will also have the GWA Leadership Seminar on the 23<sup>rd</sup> in Colorado Springs! Both of these events are a great way to bond as sisters as well as have experiences that will prepare us for our future! On March 23<sup>rd</sup>, we will have our Littleton OV. Save those dates! I can't wait to see you all! Thanks again for such a fun year so far. I appreciate every single one of you.

Rainbow Love,

Hello to Colorado Rainbow!

I hope all of you enjoyed the Holidays. It has been a blast traveling to the various activities with Jenna and it is especially exciting seeing many of you. Throughout the year, I was also able to travel with Jenna to the other Masonic groups. Jenna has done a wonderful job representing Colorado Rainbow.

So far the year has been amazing! The haunted house at Elitch's was wonderfully spooky and it was an awesome day seeing all those who were able to make it! Also, we now have Gunnison joining in the ranks of Assemblies in Colorado Rain-

bow. The Constitution ceremony was wonderful and all in attendance got to be a part of it. My favorite part was when all the girls gathered in a triangle with the Altar in the center and then the adults formed a circle around us at the end. Together we sang a song after the ceremony was completed.

There are many other fun events and OV's planned for the rest of the Grand year and I can't wait to see everyone at each of these events.

Keep on smiling,

*Adrianna C.*

## *Genie Wilcox ~ Supreme Deputy ~*

Over the Christmas holiday Mr. Wilcox and I traveled to Kansas City to spend time with our sons and their families. We extended our trip a little longer to be able to work on clearing the rest of our things out of the basement of the house we sold to our son 15 years ago. I have to admit, there were many things that were not needed anymore, but also many special items that brought back memories. In one box, I found my Rainbow memorabilia that included programs from Installations, Grand Assemblies, etc. The fun times with my sisters came flooding back, with smiles and happy memories. I also found a plate that was made for my grandmother. She was honored to be our "Rainbow Grandma" and each girl was given a special piece of transfer paper and markers that was then made into a plastic type of plate for her. I know she treasured each and everyone one of the plates, however through the years, the only one remaining was the one I made for her. While the artwork is not all that impressive, the message still holds true today.

I believe in God because of Rainbow. How can we not have a true belief when we look around at all the beauty in the world, and the sign of the Rainbow that

God will not again destroy the world, by flood?

With 2019 starting fresh, I hope you will make Rainbow a priority in all of the things you can choose from in your busy and hectic lives. The sisterhood and lessons you receive will help mold your lives and lead you on the right path for the future.

Someday, in the far, far future when you are cleaning out your basement, closet or wherever you have stored all your special treasures, I hope you too will look at your Rainbow items, think of the impact that Rainbow had on your life and be able to say "I believe in God, because of Rainbows".

A Rainbow of love,

Momma G

# Assembly News from our Covenant Reporters

## Fort Collins #2

Hello Sisters of Colorado Rainbow! I'm coming to you live from the depths of the jungle. Since we last broadcasted to you, we have had the pleasure of assisting Garden City #3 OES with their installation.

In October our exploration team consisting of Sarah, Abbey and Rebekkah ventured into the world of the Muppets at Columbine's OV and sleepover; we were so happy to bring home "Stardust" and make her a rainbow tutu! Then we went with Ella to the ESMRC to help with *Reverse Trick or Treating with our District*. We returned to our home base to manage our Lula Roe

Fundraiser and we thank everyone who supported us! We also helped our District Deputy prepare for the Grand Cross of Color Mystic Feast.

In November we traveled out of our jungle and met with the girls in Monte Vista for their OV and sleepover; we had a lot of fun.

During December we kept a bit closer to base camp, hosting a highly successful ARC Buck-a-bag campaign for the Wildlife Sanctuary, and helping *Greeley's Hall of Trees* by running their Kiddy Corner helping children with Christmas crafts. We also attended the ESMRC Christmas party and enjoyed

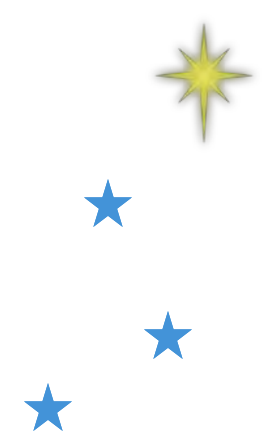

singing carols with the residents.

We continue to volunteer at the Events Center for Eagles' hockey games and special events. We end our year of 2018 by "staking" out our Mother Advisor's house with Holiday Cheer! Coming up we also have a time planned to see *Mary Poppins Returns* in Cheyenne for a fun day before the end of the Year. Wishing you all a Happy 2019!

Until the next broadcast,  
*Rebekkah K.*

- Abby's Installation
- Volunteering at The Assistance League's Fun Fair

*Pikes Peak #4*

Since September, a lot has happened in Pikes Peak! Abby's term has started and it is full of love! And dinosaurs!

The first fun event this term was the Line Officer/Past Worthy Advisor event, where our line officers and a couple PWAs solved an escape room. A few of our girls went up to the Carn-evil Masonic Youth event in Denver and had a great time.

At the beginning of November, we volun-

teered at The Assistance League's Fun Fair and had a great time serving. Our annual fun meeting was at Fargo's Pizza and we filled ourselves with cheese and bread. This term, we initiated the lovely Kelsey.

In early December, we had 2 events in Woodland Park; spending the day at the Dinosaur Resource Center and viewing the parade of lights. On December 7, we went to Bear Creek by Candlelight and had a

fantastic time ice hiking! Our most recent meeting was an ugly sweater meeting with a gift exchange after.

Wishing everyone happy holidays and a new year full of joy,

Rainbow love & service,  
*Baylor H.*

# Littleton #5

Littleton Assembly has had a busy term so far filled with loads of fun! We played paint ball with some of the DeMolay boys, roamed through a corn maze in the rain, played a round of Monster Golf, and went driving around Denver admiring the many displays of Christmas lights. "CHRISTMAS!!!" You had to be there.... :-)

We joined in the fun at Elitch Gardens for the GWA's day of fun and attended events at the Eastern Star Masonic Retirement Campus. We were honored to

host the annual tree decorating at the home and attended the all Masonic family Christmas party as well.

As we move into January, we look forward to a new term filled with fun, sisterhood, and new members!

**GOOD TIMES at Grand Junction...**

- **Tess's Installation as Worthy Advisor**

## Grand Junction #12

Hello from Grand Junction Assembly #12.

We have been busy and had some exciting happenings since our last report. We are now one of the largest Assemblies in Colorado initiating Kalista, Paige and Elora this Fall. All three girls have jumped in and are very active. Paige and Kalista had their parts learned to participate in Elora's Initiation.

We did Installation of Officers installing Tess as our new Worthy Advisor. Her theme is "Keep moving forward" inspired by one of her favorite movies. We have cute turtles as our carry-ins. One of her first

events as our fearless leader was our annual Trick-or-Treat for cans. We invited the DeMolay guys to join us. We were a big group covering a neighborhood of well over 100 houses. The Salvation Army was really glad to see Ellen's mini-van clear full as we dropped off our collection. As always we ended the night with a chili supper complete with cornbread and fresh veggies.

December was very busy with our service project, Breakfast with Santa, with the Scottish Rite; carol singing with the DeMolay boys for the Fruita Masonic

Christmas party; and our dessert auction at the Grand Junction All-Masonic bodies Christmas party. We also helped a local family by serving their 50th Anniversary luncheon. We serve a monthly dinner for Lodge 173. The money raised from the fall fundraisers will help us pay for our Grand dresses.

We will start our new year with a lock-in. We plan to use part of the evening to sew pillow cases for our local family abuse safe house but also will have time for our favorite lock-in games.

Happy New Year to All  
*Cora G.*

## Help Raise Money for Jenna's Service Project

### SAVE A FIRST RESPONDER'S LIFE

**SHIELD616** is an organization that equips police officers with "necessary advanced active shooter/crowd control gear" and provides a "support group...who will pray for the officer and family on a daily basis and shower [them] with support and encouragement throughout the year." It is a wonderful organization that will help the defenders of our communities to remain safe and this is a great opportunity to indicate our support of these wonderful and selfless people.

**SHIELD616** was formed with the peace officer on patrol in mind. We have since seen the need to help protect all first responders. The goal of **SHIELD616** is two-fold.

## Monte Vista #23

What has Monte Vista been up to?

Looks like they had a fun time at their Halloween

meeting and had many visitors at their Official Visit and sleepover n November. Hope to hear more from our

sisters in the San Luis valley soon.

**LOOKS LIKE FUN at Monte Vista...**

- Halloween Meeting
- Official Visit

**HAPPY TIMES at Columbine...**

- Stardust came to visit
- School of Mines Lunch
- Service Project delivery to the Community Table

- OES Retirement Campus -Tree Decorating and Christmas Party

*Columbine #96*

We hope everyone had a Happy New Year. At Jenna's last Official Visit, Columbine was able to bring this year's traveling mascot, Star Dust, home with us. We are having a lot of fun getting ready to add something exciting to the basket! At our October OV, we initiated Maddie who is a friend of Heidi. We are excited to enjoy the laughs and fun times as we get to know Maddie.

In December, we served a lunch as our main term fundraiser -- it was chaotic but fun serving the Schools of Mines Beta Kapa for their annual meeting to initiate their new members into their fraternity. We made \$469 profit.

Over the past couple months, a group of us went to the various activities at the ESMRC Campus. We enjoyed dressing up for the Reverse Trick-or-Treat as well as singing Christmas carols with the residents during their Christmas party. It was a blast visiting with these great people.

A couple of us traveled with Emma to her service project, the Community Table, where we were able to donate 38.5 pounds of collected food. While we were there, we had a tour of the warehouse where they sort the food. We learned about the store where people come and get their food. Emma also presented a donation of \$120

for their small project called The Backpack Program. This is where they buy food and present bags to needy people in their area. They help about 15 different schools. What a great program.

Heidi is currently planning another term as Worthy Advisor for Columbine. She has special plans organized to help us appreciate the beautiful Colorado mountains as well as the great outdoors. Her installation will be on Saturday, January 19<sup>th</sup>, we can't wait to see what she has planned!

Keep on smiling,  
*Adrianna C.*

# Gunnison #99

The past few months Rainbow Girls have been very busy.

In August we had an open installation installing Tyler T. as our Worthy Advisor and Aurora K. as Worthy Associate Advisor.

When September came rolling in, we participated in the homecoming parade for the high school.

Shortly following in October, we had the Constitution Ceremony, had a fun time baking cookies and lis-

tening to Christmas music, and we also went reverse trick-or-treating to elder masons' houses for the Halloween season.

For November we did an Arby's fundraiser where we handed out flyers telling them that a fair percentage of their purchase went to Rainbow Girls.

December was full of holiday fun and tons of Rainbow activities; we had a fun pizza party with new girls who might be signing up as

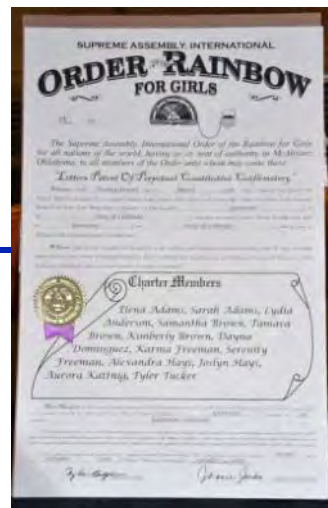

members & pledges. We also enjoyed a Masonic family potluck with several people and lots of delicious food. Finally we did another bake sale in City Market making several sales and promoting awareness for Rainbow.
