SEPTEMBER 2019

Adrianna Cabbage ~ Grand Worthy Advisor ~

Hi Colorado Rainbow! This year has already been such a blast, and it has only just begun! So far in our daring adventures, we started off with a jazzy night in Greeley at the Masonic Band Camp for the Fourth of July. It was exciting to see students from all over Colorado get together to perform, especially seeing Aurora K from Gunnison Assembly play her sousaphone. We then started the race to the castle at Gunnison's Official Visit for a truly wonderful weekend, where we got to see the girls of Gunnison shine with their Initiation. It was a spectacular surprise to see the firefighters come with their new fire truck and enjoy the lunch with us. We were also excited to present our fruit basket and MREs from Gunnison Assembly to the firefighters.

Our adventure then took us to Golden, where we enjoyed a movie night in the park under the stars watching "Incredibles 2" with LOTS of popcorn followed by our School of Instruction the next morning where all of us got to refresh and renew our Rain-

"I Believe"

bow knowledge with a fun rainbow game! Then our race took us to our second Official Visit in Grand Junction, where Assembly #12 treated us to a beautiful initiation for two new members, Roweena and Annelise. Welcome! Afterwards we went to a spectacular and fun self-defense class and an enjoyable dinner with the firemen from Station 3! It was wonderful to see them and give them the fruit baskets with our encouraging clouds!

I hope to see as many of you as possible at the Fort Collins Official Visit on October 26th, as well as at the GWA "Talent of Fun" on September 28th. It will

be an exciting morning filled with fun while visiting with the residents! The GWA "Thanks A Lot Drive" in Golden on November 2nd is where we will get the opportunity to appreciate more of our firefighters. I hope to see a lot of you come and enjoy lunch with them to show our appreciation for all they do for the community.

This Rainbow year is just beginning, but it is going to fly by quickly so please don't miss out on all the fun these events have to offer! I am looking forward to seeing all of you throughout this year as our daring adventure continues. Always remember, "Everything is possible, there is nothing we can't do."

Keep on smiling,
Adrianna Cabbage

Good Day Colorado Rainbow!

What a wonderful start to this grand year! So far this year we have had two fun days in Greeley and Golden, an Official Visit in Gunnison and a School of Instruction. Seeing all of your wonderful faces was a delight at all of those events and we missed everyone who couldn't attend.

The Masonic Band Camp concert was truly an amazing experience! Playing songs like '7 Nation Army', 'Havana' and the amazing Armed Forces tributes. The Movie night before School of Instruction was "Incredible"! Lots of fun, laughter and popcorn!

How cool was it to see the Gunnison firefighters and their new truck? It was a wonderful experience and all of the Gunnison ladies did a wonderful job demonstrating initiation. In Golden, the School of Instruction was fun as we played games and bonded. I especially loved the roadblock game and seeing both old and young girls learning new things!

I hope you all started off your school year great! I can't wait to see more of you as well as many new members throughout the rest of Adrianna's "I Believe" term.

May you always live fully,

Artwork Design

CONTEST

Genie Wilcox ~ Supreme Deputy ~

With all good work comes a little play time as well. From the photo to the left you can see Mom Julie and I having a few brief moments of fun at

Grand Assembly, dressing up for a photo, remembering the 70's (yep - we were part of them!) and just being silly. Hopefully your Rainbow experience is just the same. There is a time to be serious and also time for fun. Thank you all for working on memorizing your ritualistic work, especially for initiation. This is so important to leave a great impression on our new members.

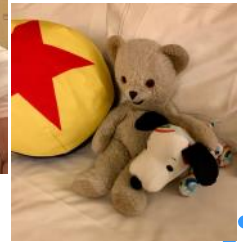

Grand Assembly 2019 was a huge success. Mom Julie, Mrs. Hebert, the co-directors of Grand Cross and I were all so proud of your ritualistic work. And then there was the fun. I'm still laughing at the wish-granting "genies", the kick-off event with confetti eggs over the GWA and

GWAA's head and all the little memories that I think back on with a smile. I know this next year will be just as successful and the Grand Planning committee has already started thinking of new and fun ideas.

Annika H, Mrs. Kier and I attended Supreme Seminar at Disneyland in July. Lots of great ideas were brought up by the girls representing their Regions and Jurisdictions that will help bring Rainbow into the 21st century. Ask Annika all about it! Mr. Bear and Rainbow Snoopy went along for the fun!

Remember to never stop learning or having fun!

Momma G.

Dear Supreme Family and Rainbow Girls,

Rainbow will be 100 Years strong in 2022!! To prepare for this special Centennial Anniversary, we need special artwork to be used for the official centennial pin, Christmas ornament, and other small centennial items. Since Rainbow was founded for girls, I think Rainbow Girls should create that design!

So, we are launching a contest to select the official artwork for our centennial celebration. Girls, this is your opportunity to share your talent with the world of Rainbow and celebrate our 100th birthday!

This contest is open to active Rainbow Girls only. Entries should be focused toward the future promise of Rainbow. Please submit your design entry in a jpeg format, along with the attached entry form by 12/31/2019, to my attention at the Supreme Office (saoffice@gorainbow.org).

The winner will be announced on 3/1/2020. A very special prize is being planned for the winning design, and all submissions will be on display during Supreme Assembly 2022.

We look forward to seeing your designs!

Rainbow Love,
Mrs. Judy Fortenberry

Who is excited for Supreme Assembly 2020? July 23-28 in Reno, Nevada At Peppermill Resort Spa Casino

Hello everyone!

Just an update regarding Supreme Assembly 2020. The price of a room is \$119.00 per night. I don't have other figures yet.

You will be amazed at how much money you will have if you save your coins for one year. You can use this to help pay your way or use the money in Reno at the stores at Supreme Assembly.

How are the magazine subscriptions going? The letters to adult organizations will be going out soon.

One of the Rainbow girls gave me another idea for a fundraiser that I am looking into. If you have ideas, please let me know!

Deb Deselms
Supreme Assembly Coordinator

Did you know Reno is full of gorgeous COLORS?

Did you know Reno has amazing art installations all around the city? This one sits right next to the Truckee river!

“Friendships Bloom Where Rainbow Is Planted” Membership and Service Incentive Program

The 2018 - 2020 “Friendships Bloom Where Rainbow Is Planted” incentive Supreme Program focuses on membership and service. A beautiful necklace has been selected which can be filled with jewels the colors of our Order. Each jewel requires either being the first-line signer on an Application for Membership OR for completing 20 hours of community service.

The blue jewel will be awarded for first-line signers recognizing fidelity to our Order by bringing in new members. All other jewels will be awarded, in order, based on 20 hours of community service. There is no limit to the number of jewels that can be earned.

Adults who wish to participate are welcome to report their service hours as well through their local Assembly or directly to Mrs. Anna Hebert, Supreme Membership Program Coordinator. Adults are asked to pay a one-time fee of \$6 to cover the cost of the necklace.

Don't wait! Turn in your information to Mrs. Anna Hebert so you can start or continue your necklace.

Here's your chance to get to know Rainbow across the world!

Your GWA Adrianna has a CHALLENGE for Grand Representatives

It was an "Inspiring" time visiting Florida's Grand Assembly Session. What an honor representing Colorado Rainbow with my sister Kayla.

Grand Worthy Advisor Victoria's theme was "Inspire" and encouraged the girls of Florida Rainbow to have their actions inspire others to dream more, learn more, do more and become more. One thing that I learned is that Florida Rainbow girls do not wear crowns. I met a member who always wanted to wear a crown. After the meeting while we were talking I could see how much this would mean to her, so at the end of the conversation I took off my crown to let her wear it while her mom took a photo. Her smile was the largest I have seen by far and it inspired my day.

Adrianna, GWA

I was so excited to travel to Florida with my sister Adrianna and meet my counterpart Grand Representative Savannah for the first time. Their Grand Assembly was held at a golf resort and we stayed in like a little apartment. It was so cool!!

While I attended Florida's Grand Assembly something different that I noticed is they sang & hummed "Sanctuary" while Hope opened the Holy Bible. The second verse wording was changed to add the Rainbow colors and it was so beautiful. I wish we could do this once at our Grand Assembly. Also when they were rearranging the Assembly room they would play "Flight of the Bumble Bee". When that song came on you knew things were changing!

Kayla C.

I attended Washington/Idaho's Grand Assembly this summer. I was so excited to stay with Danni from Sumner Assembly #6 and her family. It was held in an arena called the Sundome in Yakma.

During the opening they brought in four books representing the different religions. The Holy Bible, Quran, Torah, and Book of Mormon. They only sing the Rainbow song during Installation. Also all of their Grand line officers are elected and installed by the outgoing Grand line officers. At the end I was able to meet Kylian, who is the new Grand Representative to Colorado.

Collect Snapshots from your corresponding out-of-state friends!

Get the chance to send a "Care Package" to your Grand Representative counterpart. Send a picture from the list below to your counterpart/pen pal and ask them to send the same picture back. After you receive it, email me both pictures with the identity of the State. If I receive your email with your pictures, you will be included in a drawing at each Official Visit. I will send the winner's corresponding Grand Representative a "Care Package". Also I would like to recognize your efforts for corresponding with your out-of-state Grand Representative. All it takes is for you to send me proof that you have reached out to your counterpart/pen pal and you too will get a chance to draw out of the Surprise Bear's Chest.

Assembly News from our Covenant Reporters

Fort Collins #2

Greetings from Fort Collins Assembly #2! Last time we spoke we were in the depths of the Jungle during Sarah's term swinging through the vines. Since then we enjoyed attending Grand Assembly and congratulated Sarah on receiving her Majority at Grand Assembly; wishing her the best, yet hoping to see her often!

We collected and donated \$200 for the Wildlife Sanctuary during Sarah's term for her Service Project. The Assembly celebrated Founder's Day at the City Park in Fort Collins with fun games and lots of fellowship. As Sarah's term ended we moved out of the jungle and into the mountains as our new dragon WA Rebekkah has found that "Any Dream Will Do!" Her

mascots being dragons and foxes are known to come out of the mountains and help fill our lodge room during the meetings and they like to fill the seats of missing officers.

Our members have enjoyed traveling to the OV's in Gunnison and Grand Junction, spending time with our GWA Adrianna, and our GWAA Celestyn as well as all of our Rainbow sisters and seeing new sisters initiated. We are also excited about our new sister Gracey who joined Rainbow 4 days into our new term! Gracey has already traveled to an OV and we are working hard with her on her proficiency.

Our Assembly and our Advisory Board provided brownies as dessert for the

Century Hall Masonic Annual Corn Feed. Also, we are wishing Abbey a great year as she begins her journey through her first year of college. Our meetings so far have been exciting with themes such as sock night and our bow/bowtie night. Ella won the bow competition for bow/bowtie night with wearing the most bows, she wore 18! Gracey came in a very close 2nd place with 17. We now look forward to stuffed animal night, and a Masonic tribute night as well as our upcoming OV in October. Just remember "Any Dream Will Do!"

And May You Fly with
Dragons Over the Rainbow!
Rebekkah K.

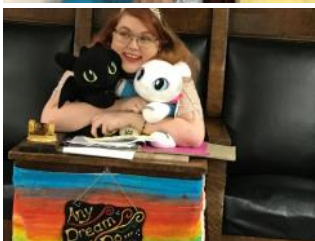

I love having free time just for me, and I enjoy it by listening to music, reading, cooking, and doing cosplay. When I listen to music I like all styles and genres and I especially like to listen to musicals of all kinds..

Pikes Peak #4

It's over halfway through 2019 and with the summer coming to an end, Pikes Peak Assembly #4 got the treat of a brand new Worthy Advisor. Ms. Maddie has stepped up to the highest rank in our Assembly and began her term with excellence.

Before the new term kicked off, we enjoyed the activities that Stephanie had planned for the last month of her beachy term. On July 7th, we went to Manitou Springs and met at the Penny Arcade where we started our founder's day scavenger hunt and even enjoyed the sights that

were scattered around. Of course, the evening wouldn't be complete without the girls gathering for some delicious Chipotle afterwards. On July 18th we celebrated Stephanie's farewell with smiles and laughter, as well as celebrating Olivia's majority in one huge beautiful meeting.

To end the month of July, we installed Maddie and entered her amazing meeting room decorated to the brim with cacti and llamas under her theme of "Follow Your Bliss". The first meeting of August went off without a hitch and as per usual with all of our

events, we smiled and laughed all the way through. We are also participating in a shoe drive for Supreme Assembly, where we have collected a large amount of shoes that will go to people in need.

Pikes Peak Assembly #4 cannot wait to see what events September and October bring, and what fun memories we will make!

Rainbow Love and Service,
Alana B.

Travel Adventures

Join Adrianna on an adventure to the Care Bear Castle. At each Official Visit, she will have a Traveling Board to race to the castle. Come and pick out your very own Care Bear and watch it travel with you during your adventures throughout the year.

As you travel this year, you will receive special gifts. For example, your first OV can earn you a treble heart necklace and your third OV will earn you a mystery gift. The two girls that travel to the most OV's & GWA events overall will win a surprise gift and her very own Care Package at Grand Assembly.

Also, get the chance to get a prize from "Surprise Bear's chest". Adrianna will be traveling with "Surprise Bear's chest" where she will be drawing out five names at each OV. (You might find her Grand pin in the chest!)

Littleton #5

Did you know that Emma Lynn received the York Rite Grand Commanders Leadership award at Grand Bethel?

Did you know that Littleton Assembly took a tour at Hammond's Candies and had a service project at Promise

Grand Junction #12

Hey Colorado Rainbow Sisters,

I was happy to meet so many of you at Grand Assembly and have our third-ever GWAA elected from our Assembly. Since coming home we've come together and had both a service and a fun event. For our service project we made 25 pillowcases for Latimer House, a Family Abuse Rescue center in our community. This was our second time doing this project so now we have over 50 pillowcases to give. We will be delivering them soon. We went to Highline State

Park for our Founders Day Picnic. We had four girls as guests and one was initiated at our OV. It was fun meeting the newcomers while swimming and enjoying the food and a beautiful sunset.

Our Assembly has worked hard to collect shoes for the Supreme Shoe Drive. We took the first 7 bags to the School of Instruction and we hope to have another 7 at our OV to head to the storage unit. Camryn and Amber worked hard to get the shoes all bagged. We are excited that we could help Gun-

nison with their OV and know they will help us with ours. It is nice to have a sister Assembly closer to us. We have made some great plans for our OV so if you didn't get to come you missed our "hot date" with Mike and his team learning self-defense skills. Mom Julie H. worked hard to get our closest fire station to come visit during dinner and Dad Rob got us all set up for a movie double feature. Mostly, we are excited to have Annelise and Roweena as new sisters in our Assembly.

In my free time I like to paint, sleep, play the piano, and sing. I enjoy listening to Pink Floyd, Nirvana, The Red Hot Chili Peppers, and most pop songs. I especially like "Be alright" by Dean Lewis.

Monte Vista #23

Hello Colorado Rainbow!

Here in Monte Vista Assembly we are in full swing since Grand Assembly. We delivered the 6/6 care packages to the Colorado State Patrol Office and Monte Vista Police Department where we also were asked about an application for a new member, so hopefully we will get that back soon.

We had an Installation of officers on July 28 for Kaitlynn's 2nd term. Several of our sisters are involved in the SLV Fair, Kaitlynn, Kelcey, and Alyson N.

Along with our graduated seniors getting ready to head off to college; Alyson B,

Amber, Kylee, and Kaitlynn, we are all getting ready to go back to school. With that also comes our annual membership booth and cotton candy sale at the Potato Festival.

Hopefully I will have some more great news about new sisters at our next report! Until next time!

Columbine #96

Hello, these past few months have been a blast! Grand Assembly in June was the start. We had a wonderful year with Jenna. Sadly, Heidi received her majority but we are excited to see her begin her new chapter in Rainbow as an adult. I am looking forward to going through this new year with my sister as GWA!

In late June, my family and I enjoyed a trip to Florida's Grand Assembly. It was so exciting. Adrianna and I were honored to bring greetings from Colorado Rainbow to them. I also had the privilege to meet my counterpart/pen pal, Savannah, as well as a lot of new friends from all

over. In July, Columbine celebrated Heidi's last meeting for her last term. Each girl placed a colorful jewel and the adults placed a star in a necklace for her. She also received a wooden box which included photos as a remembrance of the years she was a Rainbow Girl.

We began a new term with Emma as our Worthy Advisor. Her theme is "Let's Picnic!" with her symbols as bees, ants, watermelon and lemonade. One of the fundraisers during her term is a spaghetti dinner on October 19th from 4:30pm to 6:30pm. Hope to see you there!

So far, some of our

Assembly has been able to travel with Adrianna to five of her Grand events -- Band Camp, Gunnison's Official Visit, Movie Night in the Park, School of Instruction and Grand Junction's Official Visit. One thing I have enjoyed at each Official Visit is getting to meet firefighters and tell them how much we appreciate them. This is part of Adrianna Grand Service Project the "Thanks-a-lot Drive". We look forward to the other upcoming events and hope to see y'all there.

I hope you all had a great summer and I wish you all a great school year to come!

Rainbow Hugs :)

Gunnison #99

Hello all!

We, in the mountains, have been working to try to bring the mission and passion of IORG to our local community. We have found that few know what our organization is and how it benefits communities. With this in mind, we were able to have a youth fun night at our local Elks. This served two fold in that we interacted with people outside of our Masonic and OES families and made some money.

Of course we also took part in Grand Assembly and

that really recharged our batteries and refocused our commitment to a life of service and educating our community. We hosted a games night, really a game afternoon and invited girls and families to come. While our numbers were few, we had a great time. A shout out of thanks, to Monte Vista for coming and supporting us.

The highlight of our little Assembly's summer was hosting the first of Adrianna's Official Visits. This was an exciting, and in honesty, a stressful event. The

local volunteer fire department loved the fruit basket. My parents laughed when we were later told that the volunteers fought over the limes. Guess it is an adult thing. Our special spin with the MREs was also greatly appreciated and now each of the trucks carry food for the amazing volunteers.

All for now from your little mountain Assembly.

Aurora K

I love to eat, create storylines, SLEEP and eat more, be active (rock climbing, running, hiking, camping), watch Studio C. I have very eclectic music tastes, that depend on the mood I am in. I like film score, but as far as genre or artist is concerned I really just like songs that move me emotionally.
