Adrianna Cubbage ~ Jr. Past Grand Worthy Advisor ~

"My Mind is always curious, always wondering..." And as I continue the long trek home, my mind is wondering, reflecting over my Grand Adventure this past couple of years. I can honestly say this year was the best year of my life, and these couple of weeks have been a wonderful way to end a crazy wild year. Thank you to everyone, particularly the Grand Officers and Grand Cross of Color Team for embracing all of the new changes we implemented this year that made it such a safe and successful Grand Session. Congratulations Amber, on being awarded Sister of the Year; you deserve it, and I know this is just the beginning for you.

Congratulations to Kaitlynn on your election

to be our new GWAA; I hope you enjoy every moment because, believe me, the time will fly!

Celestyn, I am so looking forward to seeing how well you represent Colorado Rainbow. Thanks for traveling and supporting me this last year! It's been fun getting to know you better. Just like butterflies I cannot wait to see you rise up to new heights every day.

Jenna, it was so awesome to serve Colorado Rainbow with you while you were Grand Worthy Advisor! You have and continue to be an inspiration to me as I learned the ranks during my GWAA year. Thank you for your friendship and guidance.

Genie Wilcox and Julie Mesaros, thank you both for absolutely everything you have done for me and

all the girls and adults of Colorado Rainbow. There is just no way to explain how much you've helped me and inspired me throughout the time I've known you both.

To the girls and adults of Colorado Rainbow, especially those who serve on the Grand level, I appreciate you all so much. It's because of all of you that we have this fantastic organization. There are so many others I am grateful for so please know that if you are reading this, I am speaking to you! Colorado Rainbow has and will forever hold such a huge place in my heart, and it has been the greatest honor to serve and represent as your Grand Worthy Advisor.

Here's to an incredible year, many lessons learned, and a lifetime worth of great memories and friendships. As a bear full of fluff says; "we must go forward where we have never been instead of backwards where we have." So, here's to new adventures, seeking to new heights and having a wild and fun time!

Keep on smiling,
Adrianna Cubbage

Nominated
by Deirdre

Hello!! I would like to nominate Amber K. from Grand Junction #12 for the sister of the year award. I have known Amber for the last few years. She's been a rainbow girl for I think 3 years but she was a raindrop before that. I think that Amber is the perfect person to receive this award because she truly is, in my eyes, a perfect rainbow girl. When Amber first joined Rainbow she, like most of our assembly, was a shy little girl. After all of this time I have seen extraordinary progress from her. She really has made her way into my life and means more to me than she actually knows. There's a special place in my heart for Amber. Two of the biggest lessons that I have learned in rainbow are love & service. Those are just the two that stick out the most of a model rainbow girl. In my opinion Amber models love and service perfectly. She is always volunteering and committing her time to rainbow. Whenever we are serving the masons she always volunteers. It's gotten to the point we have to tell her that other people need the chance to serve too. I couldn't even count how many times she's agreed to fill in a station or go to an Official Visit. Amber has such a loving personality. She's always smiling and always laughing. She's one of the rare ones that can truly make the best out of any situation.

Amber continuously impresses me with the work she does in rainbow. Whenever she has a new part she always takes every opportunity to practice it. And even if she doesn't get it on the first, second, or even third try she still persists to get it down. Usually within a week before initiation we have a practice for anyone who needs it. Almost every time I go Amber is there practicing her part in between helping out wherever needs it. At that point if she's still not getting it she'll go home and practice. I'm not sure how much she practices but whenever we do initiation and it's her turn to do her part she stands up and does it

beautifully. I'm very jealous but proud of her ability to never give up.

Amber is one that can fit into any crowd. It doesn't matter who you put her with for anything she breaks out of her little shell really quickly. She is a genuinely happy and optimistic person with just a little bit of sass. And when she starts telling a joke you can't help but laugh, usually not because of the joke but because she thinks it's so funny and starts laughing uncontrollably. She has a really contagious laugh. Even when she's having a bad day, which she will almost never admit, she finds something to smile about. For a while Amber was the stubborn one that almost never wore a skirt. There was always a reason as to why she absolutely could not put a skirt on. But now she has started wearing some of the skirts we have in our property room. And no one even has to ask her to do it anymore.

As I said before, Amber can really get a long with anybody. Whether that be older girls, younger girls, adults, raindrops. Really anyone. When our assembly went to Ouray this winter Amber was one of the couple of girls that didn't complain about a single thing we were doing, or who she was roomed with. She just had a good time with every body. That was just one of the many things that Amber did this past year. I believe she's been to every single one of our meetings, initiations, and OV. I'm not sure exactly how many other events did went to but I do know that almost every time Ellen goes Amber goes too.

Because of Amber's kind, loving, charismatic soul and her dedication to rainbow I think that she deserves to win the sister of the year award because she inspires girls not only younger than her, but also older. Thank you.
