SESSIONS OF SUNSHINE

Linda

GRAND ASSEMBLY

Grand Assembly will be held this year in Greeley, Colorado. The dates are June 14th, 15th, 16th, and 17th. Our Grand Worthy Advisor, Linda Bolton, and I sincerely hope that you will plan to come to the Sessions. The people of Greeley and the Rainbow Assembly there are making very fine plans for us and we sincerely hope that you will try to come and have fun with us.

A letter will be going out to the Mother Advisors within ten days telling of all the plans. However, I feel that perhaps you should know a little of the plans now.

The Chairmen of the Housing Committee are Mrs. Sylvia Mitchell, 1329 29th Ave., and Mr. Robert Anderson, 2928 W 12th St. Road. The meetings will be held at the Central High School. Lunch will be served in the school cafeteria at a nominal cost.

Due to the change in dates of the Grand Assembly there will be housing for only 370 people on the Campus in the following dormitories: Cross, Hayden, Troxel, and Hayes. These are all double rooms and it will cost each person \$2.50 a night. In the letter that I am sending out, I will enclose a list of motels where reservations can be made. All the luncheons and dinners will be served at the College Center. There is to be a Sunset Picnic.

The letter which I am sending out to the Mother Advisors will give much more information concerning Grand Assembly. Both Linda and I sincerely hope that you will start making your plans to attend Grand Assembly in June.

Kathryn E. Giffith,
Supreme Deputy

R is for my Rainbow of life that has taught to love and to serve.

A is for the activities with friends old and new.

I is for an interest in Rainbow that should always shine through.

N is for the nearness to God that I have gained as I have travelled the Rainbow road.

B is is the beautiful lessons of Rainbow which we all have been told.

O is for the opportunity that I've had—a better person to be

W is for the wisdom that my Rainbow life has given me.

This to me is what Rainbow means,
So do your duty

And when you're through
Of love and service you'll be queen.

HOPE

HOPE, like the gleaming taper's light,
Adorns and cheers the way;
And still, as darker grows the night,
Emits a brighter ray.

SUPREME ASSEMBLY

Supreme Assembly will be held in Denver, Colorado, July 24th through the 29th. This will be a wonderful experience for the girls of Colorado to meet girls from all over the fifty states and foreign countries as well. You will meet the Inspectors and Deputies that guide Rainbow throughout the world. We hope that many of you will make plans to attend Supreme Assembly. We are asking those girls that live within an area of 25 miles not to make reservations to stay over night as we will need the space for our visitors.

The General Chairman of Supreme Assembly is Mr. Fred Sanger, 3945 South Jersey Street, Denver, Colorado. The Chairman of Reservations is Mrs. Velma Monroe, 2915 South Winona Court, Denver, Colorado. We are saving Colorado Women's College at \$2.50 per night, the YMCA and the YWCA at \$1.50 per night for the Colorado girls and adults.

Your Mother Advisor has a tentative program which includes the prices of the banquets and luncheons and barbecue. Please ask her to let you see this tentative program so that you can make plans to attend Supreme Assembly.

It is a custom in Supreme Assembly for girls to exchange things with girls from other states. It is up to each Assembly to provide for the things which they wish to exchange. However, please make it something appropriate to Colorado.

We are asking that one person make all the reservations for the Assembly and send the reservations and the money to the people indicated on the Tentative Program.

We would like the girls of Colorado to be dressed alike with blue denim skirts and red and white checkered shirts or blouses. You will need a formal if you plan to attend the General Banquet.

REPORTERS

It has been decided that the Rainbow Caravan Booklets will not be mailed to the various Assemblies because of the high cost of postage. However, they will be packaged and ready for distribution at Grand Assembly which will be held in Greeley, Colorado. Girls, will you kindly follow the following instructions:

1. Send me, on the back of a post card, the exact number of copies you will want and this must be in my hands by May 1. Each Assembly is expected to take at least the number of copies equal to their January 1st membership. I would suggest that you get extra copies for your new members. 25c per copy.

2. These Booklets will be available at Grand Assembly at the Press Club party or at the Mother Advisor's meeting. Please do not ask for them at any other time unless previous arrangements have been made with the Editor.

3. You must have a check from your Assembly for the entire amount. No cash please.

Much time and thought has been given to the publication of this little booklet and no Rainbow girl in Colorado or a Mother Advisor can afford to be without it. This Caravan will be the same size as the first Edition which was published in 1956. It is small and will fit nicely in the back of your Ritual. My sincere thanks to each Reporter for the interest and help given to this project and to your Rainbow paper.

THE WEAVER

My life is but a weaving
Between my Lord and me . . .
I may not choose the colors;
He knows what they should be;

For He can view the pattern
Upon the upper side,
While I can see it only
On this, the under side.

Sometimes He weaveth sorrow,
Which seemeth strange to me;
But I will trust His judgment
And work on faithfully.

'Tis He who fills the shuttle;
He knows just what is best;
So I shall weave in earnest
And leave with Him the rest.

Not till the loom is silent
And the shuttles cease to fly,
Shall God unroll the canvas,
And explain the reason why
The dark threads are as needful,
In the weaver's skillful hand,
As the threads of gold and silver
In the pattern He has planned.

A PRAYER FOR PEACE

Lord, I kneel before you to beg for peace.

Eons ago a nameless man killed another nameless man. Why he did it we shall never know, but his heritage is with us still. What he began that day has scarred the history of mankind. Through all the ages, the world has been torn by war. There is no corner of the globe that has been spared its scourge, and no family that has not experienced its tragedy. Countless wives and mothers, sisters and daughters have received some version of the telegram edged in black. That is why I am here today.

I kneel before you to beg for peace. I could have chosen no better place. This place has many names in many tongues. To us it might be Flanders Field or Arlington. The name is not important.

The sky is a clear intense blue, the grass a deep velvety green, and the sun shines brightly. Here there is nothing to disturb the timeless tranquility. This is just, for to sleep here is to sleep forever.

There is a long, well-trod, stone path running between row upon row of small white crosses. Here, under soft blankets of warm earth lie the men who made us what we are today.

Each of these souls knew the promise of your Rainbow. The love of home, church, and nation symbolized by the red ray of Love. They believed that You would lead them through all, if they would but follow the orange gleam of your lamp, Religion. None could know better the meaning of Nature's yellow light, for they died on her comforting bosom with the deep green promise of Immortality whispering in their ears. And none better than these could know the cost of Fidelity's blue. It was their loyalty to the truths of freedom that brought them here. And it was with sureness that they followed Our Flag across the seas under the indigo banner of Patriotism to give all in the violet cause of Service, that we might be free.

The path divides, each walk travels on through the endless expanse of crosses. Here, in the center, is a monument to those who lie in this eld. It is a globe upon a single marble base, and it is here that I pray.

There is something so peaceful and serene in this simple monument. It seems to possess the peace that we desire so strongly. We love peace; we must have it. Yet, we cannot afford its price—our liberty.

Peace is two-fold: Peace among nations and the inner peace that must come from the soul. One cannot exist without the other. It is our basic nature to demand both peace and freedom. Were we to

"What is Spring? Spring is a precise and delicate thing. It is the touch of pink in an apricot bloom; the golden smile of a daffodil; water in an irrigation canal; the sound of a tractor in a field. It is the way you feel when you get up in the morning; the glint of sunlight on a windowsill; the underground noise robins hear as worms work their way below the surface of a lawn. Spring is yellowish twine strung from overhead wires to ground stakes around a vegetable garden; lambs dozing in the sun. Spring is a farmer sifting soil between his fingers; weeds burning along a road; a house cat watching a bird. Spring is seed going into the ground; or laughter of children. It is big, fluffy clouds coasting across the sky; raindrops making rings in a puddle . . . Spring is when you dream of tomorrow and enjoy today. It's when you forget to turn on television. It's a gentle stirring, deep inside, that insists you walk instead of waiting for a bus. It's when you breathe deep. It's that fleeting moment of time, each year, when you suddenly become you. It's when you say "Good morning" and mean it. It's a moment of good will and pleasant thoughts. It's when God speaks and you can hear Him."

The above impression of "What is Spring?" was written by Sam Churchill. I think it is such a beautiful, sensitive interpretation of Spring, that I just had to share it with you. I hope you enjoy it.

At this time of year, I would wish you and those you love, bright skies, a happy heart, and a blessed Easter. May this blessed season bring you a firmer Faith in Holy things, the assurance of a Living Lord, and an awareness of the Victory of the Resurrection.

Please, go now and reread the story of the last days of our Lord's life, His Crucifixion, and Resurrection. Ponder over what you find there and abide in the spirit of His Love and Sacrifice.

Until we meet again,
My Rainbow love to each of you,
LINDA
Grand Worthy Advisor

Appraise yourself. Are you cheerful? Are you helpful? Are you kind? Do you lose your temper easily? Have you taken and not given?

THE CLASPED HAND OF FRIENDSHIP

I saw her enter the temple for the first time. She knew only the girls who had signed her petition. Some of the girls smiled, others didn't even turn from their conversation to look. Some one said "Hi," so she replied the same. That was the end of that.

Someone said to go upstairs so she did. Here she saw more girls and some adults, not many hello's came her way. Few even took time to smile. Someone approached her and introduced herself with a smile, a pleasant tone of voice and the clasped hand of friendship. The candidate relaxed some, a door had been opened. The meeting began and she was left with a hostess.

After a while a girl in a white robe came and asked her to follow. She was nervous, but soon she held tightly to Faith's hand. The initiation had started. She was welcomed, she liked what she saw and heard. Never before had she heard words put into such beautiful teachings. She learned lessons to pattern her life by. She was a member and felt wanted. Not long after that the meeting was over.

The room outside was again filled with people standing and talking. Half the girls went to her and said, "Welcome into Rainbow." One by one the members went downstairs for refreshments. She followed. She looked around and saw girls eating their refreshments. None of them asked her to join them, so she left because she felt left out.

As she walked home she thought of what she had seen and heard that night in the Assembly room. It all sounded good—out of a ritual. But in real life the girls who claim to be courteous would not greet her when she entered the temple and offer the open hand of friendship then, but just when the ritual says to. No one joined her for refreshments. Instead they went into their same old rut of talking to the same people about the same things. The door of welcome was closed. On her way home she wondered if she would return or not to hear the lessons of Rainbow because the other girls that night did not seem to care.

Open the door and leave it open that you might truly live the lesson of friendship. Remember that your actions outside the Assembly room speak for Rainbow or against it much louder than what you say from the ritual.

By: Welcome Miller, with a thanks to Russell Spice, Past Master Councilor for much of the wording.

All kinds of social knowledge and graces are useful, but one of the best is to be able to yawn with your mouth closed.

AKRON

On January 30, 1966, Akron Assembly held installation ceremonies for the Worthy Advisor-Elect, Miss Marie Dansdill. Marie's theme is "And I'll Sing Once More," and her song is "The Sound of Music." Her colors are yellow and white, and her flower is the yellow rose.

Under community service, this term we have been asked to help with Akron's Red Cross drive.

We would like to congratulate our Past Worthy Advisor, Ruth Gentz, on her very successful term. For her social event, we enjoyed a terrific bowling party to which our mothers were invited as guests.

We are very proud of Harriet Stratton and Connie Fletcher, who have been selected as hostesses for Supreme Assembly from our assembly.

AURORA

The "Golden Chain" encircled the globe as Babs Bauer started her term as Worthy Advisor.

She has many varied activities: February 26, she had a Mother-Daughter Luncheon, which honored past and present Mother Advisors and mothers. Featured at this was a dancing duet. Also, Mrs. Rheba Dec Currier, winner of the National Kutill Scholarship for Cosmotology, was a guest speaker, with many helpful hints for us. Coming events include a swimming-pizza party and a birthday dinner.

We really are working hard on the Mr. and Mrs. Butterfly Contest. I hope that you all are doing the same. We're out to win, so if you want to beat us, get that MONEY!

Jane Risner

BOULDER

Patty Dahl was installed as Worthy Advisor January 21. Her theme was "Cathedral in the Pines." Her emblem was the 'tree.' Soon after the installation started the action. She held an officers breakfast for the Jr. Past Worthy Advisor and her officers. It was held at Pat's house. After the breakfast the girls wrote out suggestions in which they thought would be helpful, fun or interesting to do at or after a meeting. One meeting each girl brought a white elephant. After the meeting we played Bingo. The winners received the white elephants. The next meeting the Worthy Advisor had a man that teaches traffic school come to talk with us about driving.

The month of February we sold candy for Supreme. Our assembly decided to give the girls the money the assembly would get. The girls have to go to Grand Assembly to collect this money. This encouraged a lot of girls to sell candy as well as getting them to go to Grand Assembly.

This term we are having a swimming party to bring new girls into our assembly. Each girl is to bring one or more girls. This I think will be a big success.

On February 26 we stuffed Easter Seals. We held this project after an officers meeting.

Boulder Assembly is now preparing for district assembly. We are proud to fill the offices of Faith, Nature, Confidential Observer and Installing Recorder. Hope to meet many new friends. See you there!

Sue Lieber

BRIGHTON

On January 9, Debbie Allen was installed as our new Worthy Advisor. She chose as her theme, "The Praying Hands," her symbol, praying hands, her colors, shades of pink, her flower, the pink carnation, and her song, "He." She presented each of her officers with a calendar on which there was a picture of her symbol.

As a money-making project on having a fashion show. Besides making money, it should be fun! Later Debbie plans to have several parties "just for fun!" Besides the entertainment, we will have various service projects, one of which is visiting the O.E.S. Home to be with our adopted mothers.

Valine Derby

BURLINGTON

With the close of the year 1965 and the beginning of the year 1966, we find Burlington Assembly likewise changing hands. Ann Baney is the retiring Worthy Advisor. Her theme was very active and rewarding for the assembly. As a money making project, we sponsored a Christmas Hootenanny featuring the Rainbow Folksingers, who also performed at Grand Assembly in June. The folksingers sang several popular numbers by themselves, and then led the group in some familiar carols and songs. A few humorous acts were inserted between songs and were performed by members of the assembly. The hootenanny was a tremendous success and was enjoyed by young and old alike.

Miss Linda Hanna was installed on January 9 as Worthy Advisor. The installation was beautifully centered around Linda's theme, "Our Hope Is An Anchor." Her colors were red and white, and the backdrop in the East was an anchor leading from a gorgeous treasure chest. The featured songs were "Climb Every Mountain," "You'll Never Walk Alone," and "I Believe." Refreshments were served following the installation.

Ann Penny

CANON CITY

The new year is off to a good start. Marilyn Strubel, our new Worthy Advisor, is doing a great job. The line officers installed at her installation on Jan. 23 were Marilyn Mitchell, Worthy Associate Advisor; Linda Smith, Charity;

Dianne Helmick, Hope; and Billie Jean Hall, Faith.

Starting off the year our assembly in the process of selling 120 cases of Rainbow Candy to help pay our expenses to Grand and Supreme Assembly this coming summer. So far the sale is going along just great. A prize will be given for the girl who sells the most candy.

Plans are being made for District Assembly which will be held in Florence on the 16th and 17th of April.

Dianne Helmick

CASTLE ROCK

Doris Higby, our new Worthy Advisor, was installed January 28. Her installation was one of the very best we've had. Her theme and honor station were love; colors, red and white; song, "Love is a Many-Splendored Thing" sung by Jeanne Monk; flower, white chrysanthemum; symbol, the red rose; motto, "God is Love."

We're having a Father-Daughter Banquet the 25th of March. For something new and different, Doris has planned an "inch party" for her fun project before our regular meeting March 17th. We're having a dinner, but before we sit down to eat, our waist measurement will be taken. After we have finished eating, our waist measurement will be taken again and the one who has gained the most inches and the one who has gained the least inches will be the winners.

Cosmetics, soap, and other beauty aids will be gathered to be taken to the Ridge home for the older girls. We have never done this before and hope it will turn out as a successful service project.

Kathy Richardson

CEDAREIDGE

"Climb Till Your Dreams Come True" was the theme chosen by our new Worthy Advisor, Janet Beckley. Janet's installation was held on January 9, in the Masonic Hall at Cedareidge.

Janet chose as her symbol, the anchor. Her flower was holly and her colors are red and white. Janet's honor station is Hope and her songs are "Climb Every Mountain," and "My God and I."

Our assembly was very honored to have a new Mother Advisor, Mrs. Leone Hamilton and Rainbow Dad Joel McCarty.

Our outgoing Worthy Advisor, Jamie Pinkerton and Janet plan to have their money making projects together. They plan to have a talent show and chilli supper during Janet's term.

Lee Ann Paison

He is always the severest censor of the merits of others who has the least worth of his own.

CENTER

On January 9, 1966 Miss Cindy Shoemaker was installed as Worthy Adviser. She has introduced something new in our assembly. This is reading a poem when your name is called during roll call. For her service project she is having a white elephant sale. On March 22, we are having a Father-Daughter party. This is her money making project. April 3, we are going to the Center Baptist Church in a group. Following church we will have a family dinner. I'm sure as you can all see that Cindy's term will be very successful!

Diana Stone

CHEYENNE WELLS

Karen Beek's term began January 9th with her public installation. Karen's installing officer was her sister, Cathy Beek, a PWA and Past Grand Officer. Worthy Associate Advisor during Karen's term is her twin sister, Carey, and her father is Rainbow Dad. The theme for Karen's term is "Light just one little candle."

Other line officers include Rayetta Helm, Charity; Betty Faye Homer, Hope; and Wanda Everist, Faith.

Karen has already lit several little candles. The Assembly initiated four girls during February, amounting to a 25 per cent increase in membership.

During the two seasons the Assembly has sold Rainbow candy, it has become increasingly popular. Due to this, and a lot of high-pressure salesmanship, 1966 candy sales have been quite successful.

Rainbow held a special Valentine Party for the people at O'Leary's Nursing Home. Arrangements were made with the staff for the Rainbow girls to serve a special Valentine's Day dessert after the evening meal. Karen also asked that each girl send a card to one of the patients as part of project Valentine.

Karen and several of her officers visited the Eads Assembly recently and Cheyenne Wells hosted several Eads girls in turn.

C. W. would like to issue a special invitation to all the assemblies within visitin' distance—"Ya'll come see us!"

Gary Merritt

CORTEZ

Our assembly has been quite busy since the installation of our new Worthy Advisor, Miss Vicki Wark. Her theme is "I See God," Heavenly Blue and White are her colors; praying hands, her symbol, and the white rose her flower.

Vicki had a Valentine's Day box supper. It was a project to raise money for T.A.P. and each girl brought her father, who bid on the box he wanted. Entertainment was provided and we tried to teach our dads some of the new dances, The Jerk, the Watusie, etc. Everyone had

a fabulous time and we think it would be nice to start a tradition of having a box supper with your dads on every Valentine's Day.

Last Sunday (Heart Sunday) we all trooped out and collected money for the Heart fund. It really does make you feel good to know that you might have saved someone's life, just by helping raise money for Heart research. Afterwards, there was a Chili Supper, which was well earned and just hit the spot.

Vicki has many more projects up her sleeve and I'm sure she'll keep the assembly hopping throughout her term.

Donna Schafer

DEL NORTE

Our new year began with the installation of Miss Caroline Poage as Worthy Advisor. Her honor station is Fidelity and her symbol is the white Bible and Cross. Caroline's colors are Blue and White, and her flower is the white daisy.

One of Caroline's biggest projects is a secret mother for each girl. Each girl in the assembly chose one woman's name in Eastern Star. This person will be a secret mother to the girl for the year. The Rainbow Girl will send cards or even a small gift on special days, such as Valentine's Day, birthdays, anniversaries, Christmas, and so on. The girls just sign them, "From your secret Rainbow girl."

Our money making project is a traveling bake sale. Caroline will make something and sell it to our W.A.A. She will make something and sell it to Charity, and on down the line then through the members. Everyone will turn their money into Caroline. Also we are planning a St. Patrick's Dance where everyone must wear green.

Thecla Wiley

DENVER NO 1

On January 8, we had proficiency class and elections. Margaret Myers was elected as our new sister of Faith. After the meeting we had a Hobo Dinner which was Donna's money making project. We had a prize for the best dressed Hobo Father, and the best dressed Hobo girl.

On January 16, one week before our next installation, we had an ice-skating party. After we ice-skated a while we had an all-out snowball fight. Everyone had a lot of fun even if the snow was a bit cold and wet.

January 22, was Donna's last meeting. That night we had Caroline Beck's dinner. It was roast beef with trimmings. She was presented with her mascot, which was a zebra. Following the dinner was Caroline's installation. Her theme is "Prayer for Peace", her colors are blue, white, and gold. Her flowers—blue,

white, and gold mums, and her songs are "We Believe," and "It's a Small World." Caroline had an excellent acceptance speech which made her theme stand out beautifully. As Caroline's service and money making project we are taking 2,500 orphans to see a movie at the Denver Theater.

Linda Foster

DOLLIE SAUNDERS

On January 8, we elected the following: Cindy Losh, Worthy Advisor; Sue Lewis, Worthy Associate Advisor; Janet Thorpe, Charity; Pat Wood, Hope; Ida Hall, Faith; Carol Zolzer, Recorder; and Sandy Knight, Treasurer. That night, Worthy Advisor Pegi Killerlain held a skating party at D.U. Arena.

Sunday, January 16, was Cindy's installation. Her theme, "Journey on the Sea of Life," was given, after which her song, "One God," was sung. Her colors are Green and Gold, and her flower is the Yellow Mum.

Her first meeting was a night meeting, rather than the usual Saturday afternoon meeting. After the short meeting, a film, "She Understands Me," was shown. All parents were invited.

Saturday, February 5, was a Candy Sell, since we had no meeting. That day eleven girls from Eva J. Aldrich Assembly came to visit us, and to present us with our district's plaque. We're sorry we missed them! But they came again—to our Initiation, February 19. That night was a Box Supper, Cake Walk. Everyone who attended it had fun.

Jan Wirsing

DOLORES

A very inspirational term started when Joyce Tibbits was installed as Worthy Advisor. Her theme was "Prayer is the Key;" her honor station was Faith and her colors were yellow and white.

For Joyce's fun projects we have been having a hootenanny and a pizza party. As Joyce's term is still young she has not decided on a money making project.

Our Assembly divided into teams to sell the Rainbow Candy and the team that turns in the money first to the team captains get a party in their honor. We are all working real hard to get the candy to our team captains first.

Sandra Tycksen

DURANGO

On Sunday, February 6, the installation of Sandra Quinn took place. Her theme is "Friendship" and her song is "I Would Be True." She did a beautiful job of presenting her motto "Let us be true to every friendship." Other officers are: Worthy Associate Advisor, Claudia

Weidman; Charity, (Sandy's Honor Station), Susan Siegele; Hope, Nikki Gardner; and Faith, Kathy Day.

Sandy's projects for her term will be the Cotton Ball, which is a traditional spring dance, and her money making project will be a spaghetti dinner.

Through her theme of Friendship, we hope to begin visiting other assemblies in our district. At our District Assembly, a poodle was presented as a mascot. Any assembly taking ten girls and two adults to the assembly who has the mascot, earns the right to keep the poodle until they are visited. We wish to extend an invitation to any assembly able to visit us. We meet the second and fourth Wednesdays at 7:00 p.m. at the Masonic Hall.

Susan Siegele

EADS

Our assembly is now beginning its new term with Areta Blooding as Worthy Advisor. Her theme was "The Light of the World" and her colors were orange, green, and white.

We have been very busy selling our Rainbow Candy. The assembly is divided into teams; the losing team will give the winners a party.

After the meeting of February 14 we had a party to celebrate Valentine Day.

Our assembly has just finished a drive for the Heart Fund.

Marlene Howe

EAGLE

January 9, 1966, Margaret Baldrey was installed as Worthy Advisor. Her colors were pink and silver, her theme was "Faith Will Lead You On." Her symbol was a star and her song was "He." It was a very impressive installation service with eighty people present.

Our annual Rainbow Ball will be March fifth. We have earned most of the money from collecting deer hides.

Eagle Assembly had a wonderful term with our former Worthy Advisor, Connie Greve. We are going to miss Connie but we are looking forward to another wonderful term with Margaret.

Carol Baldrey

ENGLEWOOD

The installation of officers for the new term was held on January 16th. Sue Dempsey was installed as our new Worthy Advisor. Johnnie Harris was elected as Faith for the insuing term.

February 6th was Sue's first activity. We rode the train to Winter Park and spent an enjoyable day skiing, skating, and tubing. It was a lot of fun for everyone with only a few accidents.

On February 19th we cooked and served a Masons' Father-Son banquet. All those who helped out earned some money for the assembly as well as having a lot of fun.

On the 20th of February was Sue's cokerail party. This proved to be a wonderful time for all those present as we got to meet some of the new girls coming into our assembly.

For our service project this term we are making Easter Baskets for the children at Fort Logan Hospital. We are going to fill the baskets with candy and eggs which we have decorated ourselves. This type of project always makes us glad that we belong to such a wonderful organization as Rainbow.

Our Worthy Advisor, Charlene Dorsey, was installed at a beautiful installation. Using "Love" as her theme, her honor station is "Love." Her colors are red, gold, and white. Her flower is the carnation and her theme song, "How Great Thou Art." Her symbol is the "Praying Hands" and her motto, "Love throughout Service."

We are very proud of Charlene's family. They have three girls in Rainbow and one which has already attained her majority.

This term as a money making project we had a dinner for the Masons and their wives on February 22. It went off very well, the basement was filled with people. The Rainbow Girls served and their mothers prepared the food. We had a lot of fun doing it and I'm sure that no one went away hungry.

We are looking forward to seeing old friends at Grand and to fun times and wonderful experiences at Supreme!

EVA J. ALDRICH

Judy Smith, who was installed on January 8, used as her theme, "Friendship." Her colors are green and white and her flower is the white rose. Her installation and tea were both very successful and well attended.

Judy's first activity was a "New Year's Resolution Party." It was Linda's surprise party, too. We all brought our New Year's resolutions and then had to act them out in charade form. Linda then opened her gifts and we had refreshments.

On February 22, Washington's Birthday, we had a "Do Not Tell a Lie Party." We all looked at a tray with 20 items such as a toothpick, a garter, a penny, and a Christmas tree light bulb. We only had 30 seconds to look at the items and then we had to name as many items as possible. Then, in honor of George Washington, we "Crossed the Delaware." It is like musical chairs and provided many laughs. Prizes were "Fuzzy Wuzzys," soap dogs that grow hair. (It works, too!) After refreshments we danced, trying very hard to teach the men to jerk,

and then played bingo.

For Judy's money making project we are selling light bulbs. They are proving to be very profitable.

FORT COLLINS

Another term has started and so far it has been very busy. Sheri Smith was installed as Worthy Advisor. Her theme was "Duty to God and Country" and her colors were blue and white. Her symbol was the bald eagle and her flower was the white carnation. Her song was "This is my Country" and her honor station was Patriotism. The installation was very interesting because Sheri used quotes from famous people rather than poems.

Other line officers installed were: Sue Swanson, Worthy Associate Advisor; Linda Haldeman, Sharity; Claudia Jackson, Hope; and Pat Jones, Faith.

February first we started our candy sale. We have made teams and the team to sell the most candy will be treated in some way. Everyone seems to be trying and working in their team so they will get the prize.

Sheri's money making project is selling hard candy. Her service project is making Christmas card books for the rest homes and the shut-ins.

We have been attending meetings in regard to Grand and Supreme assembly's and so far they sound like they are going to be fabulous.

With our candy sales, service projects, Go to Church Sunday and the Mother's Day Tea, we are going to be very busy. Claudia Jackson

FORT MORGAN

Sherry Whitcomb finished her term and Karen Martin took over the reign. Karen's theme is "Walk Hand in Hand With Me." Her colors are green and gold, and the mum her flower. Karen's project will be a spaghetti supper. Rainbow candy was also successfully sold during her term.

We don't have any girls waiting to receive the degrees at the moment so things are a little more relaxed around here right now.

Suzi Conklin

FOWLER

Miss Sammi Moreland was installed as our Worthy Advisor for the January to May term. She chose as her colors, red and pink and her honor station, Love. Sammi's motto is "Love thyself last," her song, "Without a Song" and her flower is the giant mum.

On Valentine's Day we took nut cups to the rest home and then gathered around together to sing "old time favorites" to the ones living at the rest home. They enjoyed it very much and some of them joined in and sang with us, as well

as teaching us a few songs we didn't know. This was Sammi's service project, but it was almost like a fun project to us.

We now have a baby-sitting agency to help earn money so that more of us will be able to go to Supreme Assembly this summer. Each Rainbow girl left the days and the time of day that they could baby-sit with our Mother Advisor. We then put up posters and broadcasted over the radio to advertise our agency and when some one needs a baby-sitter, they simply contact our Mother Advisor and she in turn contacts one of the Rainbows to baby-sit. Each girl then turns in the money she earns and it is put back for Supreme Assembly. In March we are going to have a basketball game to also earn money and to help T.A.P. We challenged the J.C.'s and, of course, we pick the referees and play by girls' rules. It is a lot of fun and we, for some strange reason, always win.

We have not yet decided on a fun project, as there are so many things to do, but we know it will be fun and we're all looking forward to it.

Arlinda Copp

FRUITA

On January 16, Susan Warren began her term as Worthy Advisor. Her motto is: "Seek joy in what you give and not in what you get"; her song: "No Man is an Island"; her colors: purple and white; her flower: the violet; and her honor station: Service. Susan's installation was very beautiful and impressive.

February 3, was the date of our Grand Visitation, as is normal, we were all scared but Linda's friendly way and sweet personality put us at ease. Our mothers served a dinner honoring Linda before the meeting and afterwards they served refreshments. Our table decorations were large butterflies and each girl received a small butterfly pin.

We are the hostess assembly of District Number 9. Our District Assembly will be held April 2nd at the Fruita High School Gym. We are working very hard to make it one of the nicest District meetings ever. Please come!

Janet Siddens

GLENWOOD SPRINGS

The ensuing term opened with a beautiful installation followed by a wonderful reception, for our new Worthy Advisor, Phyllis Mineer, on January 30. Her theme is "You'll Never Walk Alone." Phyllis' flower, the red rose, is set off by her colors, red and white. Her honor cated her term to her grandmother, our most worthy member on the Advisory Board.

Phyllis' first project was a buffet before our grand visitation for Linda. The mother's club furnished the fried chicken and all the fixings.

During Phyllis' term we are also having the annual candy sale for Supreme and for Heart Sunday we sold heart shaped cakes. We are also planning a dance later on in her term to finish a busy term.

We are now looking forward to our district assembly in Fruita on April 1.

Terri Bissing

GREELEY

Bobbi Turner is our new W.A. and does she ever have a lot of projects!! Her main money maker is selling candy at \$1.00 a box. There is a choice of chocolate turtles, assorted chocolates, or fruit sticks—all absolutely delicious. They are a cinch to sell. We've already made over \$100.00, and we aren't finished yet. Then, in addition to the usual bake sales and dime marches, Bobbi has planned an extra treat. It's a Penny Lunch and Fun Action being held the last Saturday in Spring Vacation, March 19. Everyone is to bring some food and then is charged something like \$.03 a serving, \$.01 per carrot stick, etc., in order to eat. The lunch is cheap, good, and it makes money. However, there are other "dollar-haulers" in this term than those which involve food, such as the Fun Auction which follows the lunch. Besides bringing loads of change, the girls also bring little wrapped-up surprises to auction off. Everyone goes home minus as much money as her conscience allows, and yet with a couple of nice presents, perhaps perfume, or earrings. All of the money earned at the Auction will go to TAP.

Fun seems to be the password this term. Rainbow, Job's Daughters, and De Molay are having another joint meeting. This one is supposed to be a dance, with card-table games on the sidelines. Also, Rainbow is helping DeMolay sponsor (and help pay for) the normally all-DeMolay operated Sweetheart Ball. This year, due to scheduling difficulties, this completely formal dance is being held on April Fool's Day. It ought to be an interesting and enjoyable evening! (Other Assemblies are invited.) The boys have promised to reveal their Sweetheart for the Colorado Pageant before April, however.

The other activities of Bobbi's term include making gift boxes for the Shrine Hospital, honoring our Rainbow Board at a potluck luncheon before initiation, having a tea honoring new members, having the annual Mother-Daughter Desert and Service in April, having a majority service on the Saturday before Easter, and fulfilling the obligatory Go-to-Church Sunday at Eastertime. Immediately before the girls go to a church of the W.A.'s choice, we have an Easter Breakfast by the Mother's Circle. Also at this breakfast, we are given a reading

(Continued on page 8)

which was written by one of our dear departed Rainbow Sisters. It makes Easter seem just that much more meaningful to us when we hear this dream of a young girl about Faith, Hope, light, death, and Immortality.

Although we are sorry not to have Mrs. Theodore Heinz as our Mother Advisor any more, we are extremely grateful for the saving hand of Mrs. Cecil McGlothlen. She stepped in as soon as she was needed, and is currently helping to organize Grand Assembly here in June, 1966. District 12 has had one meeting concerning the matter of planning Grand. Of course, there are many more of these meetings to come because we hope to have the best Rainbow Grand Assembly ever held.

Remember, It's Grand in Greeley in '66!

GUNNISON

Marty Foster was installed January 9th, 1966 as Worthy Advisor. Her installation was a very impressive one. Her theme is Patriotism; her colors are red, white, and blue; and her honor station is Patriotism. The girls elected to be her line officers are Linda Chapman, Worthy Associate Advisor; Anita Chalfant, Charity; Serri Weidman, Hope; and Barbara Martin, Faith.

Marty plans to have several activities during her term. Some of these are a "come as you are" breakfast, and a Mother-Daughter banquet. She also plans to have stoles made for the choir in the colors of the rainbow, have an activity with the DeMolay boys, a money making project and maybe a swimming party.

We are looking forward to an active and fun-filled term.

Mary Padham

HAXTUN

As our term with Mary Mae Kinzie as Worthy Advisor rolls by, we are very busy with money making projects so we can send all our girls to Supreme Assembly in July.

Last month we had a March of Dimes drive and our annual candy sale. Next thing we have scheduled is a pancake supper for the Masons, Eastern Star, and our parents and friends.

For our T.A.P. project we are going to have a Rainbow Quiz. For each question a girl misses she pays so much.

We are going to plan some more money making projects up until July. So see you at Supreme!

Jackie Hedges

HOLYOKE

Beautifully installed in a very impressive ceremony was Diane Kramer, our new worthy advisor. Diane chose the theme, "Faith as a Grain of Mustard Seed" with her honor station being Faith. Her color was blue, and her flower was the white chrysanthemum. Emphasizing the lovely sepech was her song, "Climb Every Mountain"; Diane also gave special meaning to her Bible verses: Mark 4:31-32 and Luke 17:5-6.

We've chosen our Rainbow Dads for the year. On special occasions we send them cards and gifts, and as the end of the year approaches, we pick a date for a box supper honoring our Rainbow Dads. At this time each dad finds out who his secret daughter is.

As a money making project for Diane's term we've been selling Rainbow candy. The sales have been going along very well; we're lucky to have so many enthusiastic girls in our assembly!

Sandi Schulz

IRENE L. ELLWANGER

Kathi Howard was installed as Worthy Advisor on January 29th, 1966. Her theme: "You'll Never Walk Alone"; her songs: "You'll Never Walk Alone" and "I Believe." Kathi's motto: "Where there is hatred, let me sow peace." She has purple, blue, and silver as her colors which go well with her flower, the carnation. Her Bible verse is "Blessed are the peacemakers for they shall be called the children of God."

At Kathi's rush tea, she honored the officers filling the stations of Faith, Hope, and Immortality. She has planned quite a lot of activities for March and April. In March, the assembly is going to have a "Family Bowling Party and Ice Cream Social." In April, there will be a hay rack ride. This isn't all. We plan to attend the Easter Sunrise service at the Auditorium and an Easter breakfast following the service.

Her money making project will be to serve at many dinners and selling cook books. Her service project will be to serve coffee and doughnuts at the Veteran's Hospital after the morning church service there on March 27th.

Glenda New

JEFFERSON

"Follow your dreams," was the theme at the installation of Pat Moore, our new Worthy Advisor, with gold and white, the chrysanthemum, and the Holy Bible adding to a beautiful installation. Along with a new worthy advisor, we also have a new Mother Advisor, Mrs. Lillian Greeno. Mrs. Greeno has been an active member of our advisory board for many years and is really doing a great job. Thank you, Mrs. Greeno! Also a big thanks to Mrs. Ernestine Wilson, our

former mother advisor, who retired after more than eight years of service to our assembly alone.

To begin her term, Patty had a lovely initiation in which two girls were introduced to the beauties of Rainbow, and also a Valentine's Day party for some orphans. We also served at a dinner for the Masons and Eastern Star, and to top it off, a very successful ski-train.

In March we slowed down a bit, with initiation and our Obligatory church service, taking a breath and also taking the chance to prepare for our Grand Visitation coming up along with another flock of activities. Our visitation will be on April 18, and we would like to invite all of you to come and visit us then also.

Julie Riedel

JOHNSTOWN

January 17 was the date of Kathi's money making project. This was a Mother-Daughter pot luck dinner. Each mother's height was measured and they paid two cents for each inch.

Kthi Fahrenburch was installed as our Worthy Advisor on January 23. Her theme, "My Mission"; colors, Tangerine and White; song, "I'll Walk With God"; flower, tangerine carnation; and her symbol, the Rainbow of Promise.

Our assembly is inviting each assembly in our district to attend our first annual Snow Ball on March 19. It will be centered around the theme "Wonderland by Night." Music will be by the Marauders, of Boulder. Our assembly has put a lot of work in on planning this so everyone will have an enjoyable time.

Kathy Williams

LAFAYETTE

"Hope, Peace, and Love" is the theme chosen by Liann Swallow for her term. Her song is "The Lord's Prayer" and the Praying Hands, her symbol.

Our assembly has a special reason for attending Grand Assembly as our Sister of Nature, Peggy Hicks, has been chosen as a personal Grand Page to Linda.

For her money making project Liann has chosen to make felt book marks. The book marks are made using a hair clip as the base to make the marker clip over the page. Such things as animals, mittens, and our school symbols are made of felt and fit over the clip.

As our TAP project we held a "Kidnap Breakfast." At seven o'clock on a Saturday morning the line officers set out and gathered all of the assembly out of bed to our Worthy Advisors home. Each member was charged a nickel for any article of clothing that they changed before leaving home.

Lola Taylor

LIMON

The months of November and December have been very busy months for Limon Assembly.

We all took an active part in preparing our Thanksgiving basket that was Kay's service project. The basket was taken to a shut-in couple and was accepted and very well appreciated.

We also attended the annual DeMolay Dance and had a great time.

Honor Night was held on December 13th for the Masons and the members of the Order of Eastern Star. We also initiated two members into Rainbow.

We had the pleasure of visiting Aurora Assembly on December 18th. We took them Bemus from District No. 8 Assembly and enjoyed a most impressive meeting.

Our Christmas party was held on December 19th. Each member invited a small child who enjoyed refreshments, a story hour, and a visit from Santa.

LONGMONT

On January ninth, Sharon Kunselman, who was a wonderful Worthy Advisor, stepped down to make a place for Jerri Kramer, who is an equally wonderful and kind person.

Also installed were: Denise Cline, W.A.A.; Virginia Erickson, Charity; Susan Krout, Hope; and Betty Diamond, Faith.

Jerri has a busy term planned for our assembly. At the present time, we are all busy selling candy for Supreme Assembly. We have arranged it so that there are committee captains and each committee is competing against the other to sell the most candy. The candy seems to be selling faster this way.

As for future plans, Jerri has many. She is busy planning for our annual Smorgasbord. Instead of one money making project each term we have the Smorthe third of April and we invite every-gasbord once a year. It will be held on one to come.

Also being planned is the annual Easter Egg Hunt and a Mother's Day Program. As her fun project, Jerri plans a "Come-As-You-Are-Breakfast."

Judy Lombard is eagerly looking forward to District Assembly, as she is Miss Rainbow of our Assembly. We hope that she will be able to follow the footsteps of Sharon Kunselman and Kay Greenhalge, who became District Miss Rainbows.

Jodi Kalisch

We judge ourselves by what we feel capable of doing; others judge us by what we have done.

'Tis not what man does which exalts him, but what man should do!

LONGMONT, TEMPLE

Temple Assembly had a lovely installation on January 24, with Carla Davis being installed as Worthy Advisor. Orange and white colors and the cross expressed "The Power of Prayer" as this term's theme.

We have stuffed envelopes for the Eastern Seal Drive and are putting out the canisters. This service project always leaves us feeling so happy that we have helped.

We are looking forward to an Easter Egg Hunt for all the children of the community through the second grade against this year. Early Saturday morning before Easter we hide many dozen colored eggs in one of the community parks and all the hundreds of children emerge at nine o'clock. By five minutes after nine the eggs are all gone!

At the community Easter Sunrise Services we Rainbow girls attend as a group and always receive much inspiration.

Carla is having a covered dish supper before each of her initiation meetings and we are having such a good time getting acquainted with our new girls.

Now we are looking forward to our District Assembly in Brighton where we will meet our Rainbow sisters of District Two for a happy day of Rainbow experience.

Carol Pedot

MANCOS

January 9th found our assembly having another public installation of Francis Cox. Francis chose as her theme, "Never Never Land," which was a beautiful and inspiring ceremony. Her colors were bronze and gold. Her flower was the gold and bronze mum. Her song was "Never Never Land."

Other line officers installed were as follows: Eileen Darnel, Worthy Associate Advisor; Gwen Alexander, Charity; Martha Gustafson, Hope; Bev Baure, Faith.

March 5, we are planning to go to the show and then we will go to the Mother Advisor's home for a lumber party. We are looking forward to this fun party.

We are gathering old Christmas cards for the Children's Hospital. We are also going to be selling some candy in the near future.

Gwen Alexander

MEEKER

Susie Wigington, our new Worthy Advisor, began her term with a touching installation. She dedicated her term in office to her brother's squadron fighting in Viet Nam. The commanding officer of that squadron wrote Susie a letter thanking her for the thoughtfulness and patriotism she showed toward her country. His letter was read in her installation.

Also a special reading was given by Rick Griffin, about a country taken over by communism. The reading was named Children's Hour. Susie then summarized the dramatic reading with the thought that we will have to fight to preserve our freedom.

Susie's colors were red, white, and blue. She used the liberty bell as the symbol of her theme "Let Freedom Ring"

Several girls canvased the town selling the Rainbow candy. We found that this method works very well and is faster than the individuals selling their boxes of candy. The leftover candy was given, to be sold, to the girls who didn't, or who couldn't sell it that one night. They were assigned the sections of the area that was not covered.

Fran Kennedy

MONTE VISTA

Daddy Date Night was MariLynn's money making project for her term. It was full of fun and frolic as the daddies and girls played musical chairs. After things calmed down Cheryl McGee showed slides of Europe that she had taken this summer while on a student trip. It was very interesting and we all appreciated it.

The Rainbow and DeMolay sponsored the Annual Christmas Formal. The theme was "An Old Fashioned Christmas," and was done in pink and white with lanterns hanging from the ceiling. To modernize this "Old Fashioned Christmas," we had a swinging band of three Breakers and Two Ascoots.

Mari's term will soon come to an end. Since she has done such a good job of being a Worthy Advisor, we shall all be sorry to bid her farewell as she steps down.

Sara Corlett

PAONIA

Our Worthy Advisor Noreen Taylor had a very impressive installation on a Sunday in January. We want to welcome our three new members into our assembly. Also we are very happy to have Peggy from Nevada.

Our assembly was very busy getting ready for Linda's visit on February 22. The assembly was entertained at the Taylor's before the meeting with a very delicious dinner.

The DeMolay Boys of Delta are inviting all assemblies in the district to have a representative for their annual Sweetheart Dance. We are all planning to support our candidate Mary Chapman this Tuesday, when the boys cast their votes. The dance will be held on March 12, we are all hoping for Mary.

Margo Volk

About the time one learns how to make the most of life, the most of it is gone.

Pat's theme is, "Somewhere Over the Rainbow;" her symbol is The Rainbow Over the Mountains; her flower, the red rose; and her songs, "Somewhere Over the Rainbow" and "Climb Every Mountain." Everyone has been busy selling Supreme Candy.

Susan Johnston

RIFLE

The lovely installation ceremonies for Jennifer Mallett began a wonderful and busy past two months. Jeni's installation took place on January 16. Her theme, "Peace in Our World"; symbol, the American Flag; motto, "Peace on Earth, Good Will Toward Men"; song, "This is My Country"; honor station, Patriotism; colors, Red, White, and Blue; and her flower, the Red Rose, were all inspiring to those who attended.

Our assembly was truly graced with Linda's presence at her Grand visitation to Rifle. After a delicious dinner which was prepared and served by our mothers, we held an initiation and Linda gave a wonderfully inspiring speech which coincided beautifully with Jeni's theme. We will long treasure Linda's visit and

we are all looking forward to seeing her again at Grand Assembly.

February 12 was the date of a home-made candy sale to raise money for TAP and we are also in the process of selling cand for Supreme Assembly.

As well as having Mr. Robert Dunlap, Grand Executive Board Member and our Grand Deputy District Instructor, Mrs. Roy Shenk in attendance. Other line officers installed were WAA Susan Williams, Charity, Margo Bolton; Hope, Marcia Williams; and Faith, Mary Lou Bales. The Rainbow Advisory Board was also installed.

We will have our Grand Deputy District Instructor here for inspection on Feb. 21 as well as selling candy for Supreme Assembly in February.

Her theme was I Corinthians 13. Her song was "I'll Walk With God," her flower was the red rose, her symbol was the Bible and her station was Charity.

Sharon's money making project is selling Rainbow Candy. The line officers are: Worthy Associate Advisor, Carol Ray; Charity, Cynthia Crawford; Hope, Jaon Van Matre, and Faith, Becky Crown-er.

Refreshments were served afterwards. \$140.25 were collected on Betty's money making project which was collecting Deer and Elk hides.

At the next meeting we plan to start on the Mr. and Mrs. Butterfly contest. We hope the other Assemblies do real well in collecting money.

Janice Metziner

SPRINGFIELD

Kay Smith was installed as our Worthy Advisor on January 23. Kay's honor station is musician, her symbol, the music note, her flower the red rose and her colors are red and gold. Kay's song is "You'll Never Walk Alone," which she played beautifully on the piano. "Kinds words are the music of the world" is Kay's motto. Her speech was entitled "The Sound of Music" and she gave it with great inspiration. Kay is now working hard to make her term a success.

On January 24 all of the girls of our Assembly received boxes of a Rainbow candy to sell for Supreme Assembly. So far none of the girls have had trouble selling the candy and we are sure we never will.

"I Saw What You Did and I Know Who You Are" was the title of the Rainbow sponsored show shown on February 1. This was used for Cathy's money making project. All of the girls of our Assembly sold tickets to this show.

February 19th was the day chosen by our Assembly to work on the Heart Fund Drive. The girls went from house to house collecting for this cause. The people were generous and made our day a success.

The members of our Assembly would also like to wish everyone a very Happy Easter.

Norma Parker

STEAMBOAT SPRINGS

The installation of Marsha Stees was held on January 23rd in the Masonic Temple in Steamboat Springs, Colorado. The following officers were installed for the ensuing term: W.A., Marsha Stees; W.A.A., Donna Hollingsworth; Charity, Susan Scott; Hope, Patti Horn; Faith, Kendra Simillion. Marsha's theme was "Through Faith All Things Come to You." Her song was "I Believe"; her flower, the rose; her colors, American Beauty Rose; her motto, "Have Faith"; her symbol, the burning candle; her station, Faith. We are looking forward to the coming year with our new Mother Advisor, Mrs. Sam McBride.

Patti Horn

STERLING

"Faith Will Lead You On" was the theme of Colleen Lowe at her January 9 installation service. Her symbol is the mustard seed; colors, red and white; flower, American Beauty Rose; station, Faith; song, "I Believe", and her scripture is Matthew 17:20.

The girls participated in the March of Dimes crutch sale in February. And, we are very happy to say that we collected \$161.71 for such a worthy cause. In March we will be collecting money again, but this time for the Cancer Fund.

In order to bring a closer relationship

between the local DeMolay boys and our Assembly, the girls decided to help DeMolay with their Sweetheart Dance. We sold tickets, and helped with the decorations, then enjoyed ourselves in an evening of dancing.

As summer approaches, our assembly is looking forward to Supreme Assembly. We were very pleased to have our very own Mother Advisor, Mrs. Evelyn Camblin, chosen as adult choir director for Supreme. And, we were equally delighted to learn that past worthy advisor Dixie Dillehay, will be Supreme Choir Director.

Gail Hays

SUMMIT-PARK

Spring is with us again and everything is coming to life. Our assembly is also coming to life. One of our activities is to visit our mother-assembly, Leadville. We will hold a short meeting then load into cars and journey to Leadville for their official visit on March 15.

So far Taffy McFarland's term has been very successful with a high number of girls in attendance. We are very glad to see the interest growing. We have been very successful with our candy sales. So successful that it was necessary for us to order more candy.

We are in the process of choosing a Mr. and Mrs. Butterfly. Our girls think this is a very good idea. It recognizes the Eastern Stars who are so vital to an assembly.

Linda Farmer

WALSENBURG

Another term is underway and Laurel Davis is our new Worthy Advisor. Her installation, on January 23rd, was most impressive. Mary Beth Read, out-going Worthy Advisor, was the installing Worthy Advisor.

For her theme, Laurel chose, "My Prayer for Faithful Friends"; her symbol, Praying Hands; her station, Fidelity; her colors, blue and white; flower, white carnation; song, "Teach Me To Pray"; her motto, "God grant me the serenity to accept the things I cannot change, the courage to change the things I can and the wisdom to know the difference." Her scripture is John 15:15. "Greater love hath no man than this, that a man lay down his life for his friends."

Laurel's father, Wayne Davis, was installed as Rainbow Dad and Mrs. Wanda Utt, Mother Advisor.

We are looking forward to a busy term with many planned activities.

Judy Utt

What a world! To be a valedictorian and then get a job working for a fellow who dropped out at the eighth grade.

WELCOME

"You'll Never Walk Alone," is the theme of the new Worthy Advisor, Paulette Clark, of Welcome Assembly. Paulette's installation was held January 15, 1966. She beautifully carried out her theme by having her father, Mr. Paul K. Clark, sing "You'll Never Walk Alone." Paulette's colors are green and white to signify her honor station of Immorality. Her symbol is the Holy Cross.

The four other line officers newly installed are: Jamie Noell, Worthy Associate Advisor; Jeanne Taliaferro, Charity; Joann Blazer, Hope; and Margaret Laing, Faith.

At the first meeting of the new term, Paulette presented a cross of her term's colors to be put in the Bible at each meeting. She hopes to start a tradition for all following Worthy Advisors to continue this as a new tradition of the Assembly.

Paulette's Service Project is for each girl in the assembly to make a pair of terrycloth slippers to send to the Children's Hospital in Denver. The hospital has furnished all the materials so it should be very successful. The money making project is the Supreme Candy Sale. For Paulette's Fun Projects we have so far had a Valentine Party, which was a lot of fun, and now we are all looking forward to the roller skating party and a slumber party following it. The assembly has again had it's annual Father and Daughter Banquet, and we had a real good turn out and we all had a good time.

Several girls from Welcome Assembly and four other assemblies in our district were invited to Ft. Lupton Assembly for "Friendship Night." Everyone had a lot of fun and many of the girls from each assembly were invited to be guest officers. All of the girls that went had a lot of fun and we hope that the assemblies can get together more often.

Welcome Assembly is now anxiously awaiting District Assembly, March 12, in Brighton. Hope to see all of the girls from our district there.

WINDSOR

Karen Eskew was recently installed as Worthy Advisor of our assembly. Her colors were shades of Rose; her symbol, the dove; her flower, the Pink Rose; her honor station, Faith; and her theme was "Peace Through Faith."

For her money making project Karen plans to stage a play at the Windsor High School Auditorium. The assembly picked "Little Women" as the play, and our directors will be Windsor High School teachers.

We also plan to have a sledding party as soon as we get some more snow!

At our February 14th meeting, one of the Windsor Masons, Mr. Paul Keller, explained some of the history and facts about Masonry. It proved to be very interesting and inspiring.

WINTIE M. EMERY

Susan Broam started a lovely term with the theme of "Climb Every Mountain." Her song is the song of the same name and her symbol is the Evergreen Bough. Susan's colors are green and white, which vividly portray the Mountains covered with snow.

Our Assembly is very proud to announce our 35th birthday on March 5th. Susan has planned a party including baby pictures of all the members. Our Assembly is also proud to announce that 10 sets of sisters belong to our Assembly. I don't believe any other Assembly can boast of such a record, but if they can, we have another record also, one set of 4 sisters is included. We challenge any other Assembly to such a record!

We have had a lot of our older girls who went away to college come back during the holidays. It has brought back a lot of memories of many terms ago. But any time our sisters can come back, we are most pleased to have them.

Well, that's about all the news from here this time. So be Good, and God Bless.

W. MARK SEXSON ASSEMBLY

Roberta Heming has just finished a very successful term of office as Worthy Advisor. Her last big function was a Christmas Dance at the local Legion Hut, which was very well attended.

Sharon Clements was installed on January 23rd, and she began her term of office on January 24 with initiation and a business meeting. Sharon's line officers are: Cathy Gale, Worthy Associate Advisor; Susan Marsh, Charity; Linda Houchin, Hope; and Barbara Johnson, Faith.

Many activities have been planned by our Worthy Advisor for the current term. To begin with, Sharon has the job of having the Candy for Funds Sale during her term. Our assembly is working very hard, as I'm sure all the other assemblies are, to obtain money for Supreme Assembly.

Other activities in store for Sharon's officers and members are: A Backwards Supper and Slumber Party, Go to Church Sunday, a Carnival, and many other functions.

During Sharon's term we will look forward to attending District Assembly and have lots of fun preparing for Grand and Sureme Assemblies.

TAPESTRY OF LIFE

My journey through life has thus far been comparatively short, yet I have discovered that life is like a tapestry. My grandmother, Mrs. Carl Nelson, has written a poem which illustrates my thoughts:

Life's Tapestry

We weave life's tapestry with strands
The Master weaver lends;
The pattern grows with our hands
Of bright and darker blends.

If when the threads are drab and gray
We toil with greater skill
And use each little fragment gay
That it be lively still—

We'll find the work when day is thru
Is pleasing to behold
If thru the parts of sombre hue,
There runs love's thread of gold.

Everyday, we add a new pattern to our tapestry through the different incidents that we experience. The patterns are not always a thing of beauty. Often, life is filled with disappointment and sorrow, and so our tapestry is sometimes dark and gray. Yet, there is always a moment of joy or happiness to add a bright thread of color to our tapestry. It is these small patterns that make each tapestry beautiful.

Perhaps, the most outstanding of all the colors of Rainbow is that of red which symbolizes Love. For Love is responsible for almost all the pattern's joyful or sorrowful, in our tapestry. Love is the basis for life and without love, life is useless and empty. Since no one can live without love, this is the most important lesson in life. There is no problem in the world too big to be solved through love and understanding.

My tapestry, like all others, has many patterns. Today, I am able to share only a small part of my life with you and that is my Rainbow life. When I joined Rainbow four years ago, I was too awe struck and frightened to grasp the lessons that were taught. But day by day, and meeting by meeting, I began to comprehend them. Yet, I still continue learning and each lesson had more meaning as my life progresses.

I began immediately after my initiation to participate actively in Rainbow by singing in the choir.

I then held several appointive offices before being elected to the station of Faith. I served in the offices of Patriotism and Immortality, learning each time that the more you give to an organization, the more you will receive in return.

Then, I was elected to the station of Faith. During the past sixteen months,

I have advanced through the stations of Faith, Hope, Charity and Worthy Associate Advisor—always preparing for the time when I would become Worthy Advisor.

Today, I begin (rather apprehensively) a new pattern in my tapestry. I am no longer the fourteen-year-old girl with awe-filled eyes, looking toward the older girls, for guidance and leadership. I am one of the older girls and I represent guidance and leadership. I only hope that I am capable and worthy of the task that I am about to undertake. I wonder what the other side of the tapestry will be when I have finished weaving all the thread. I do not know the pattern nor the end of this great piece of work which is for me. I only know that I must weave with care the colors that are given me, day by day, and make of them a fabric firm and true, which will be of service for my fellow man.

Sometimes those colors are so dark and gray, I doubt if there will be one line or trace of beauty there. But all at once there comes a thread of gold or rose so deep that there will always be that one bright spot to cherish or to keep and maybe against its ground of darker hue it will be beautiful!

PRAYER

(Continued from page 3)

achieve world peace at the cost of our freedom, we would lose the inner peace, and all would be in vain.

For this reason, death again stalks the earth, and the black rimmed telegrams are again sent at they have been thrice before in this century. It is a new set of names that confronts us now, but the enemy is the same: tyranny, oppression, greed. Yes, we love peace. We will pay dearly for it. Many husbands, fathers, and brothers will soon sleep here. But in the end we will triumph; peace will be ours.

Today Carmen walks barefoot over the rough Spanish countryside, she has no shoes. The leather from one pair of combat boots would make two pairs of shoes for her bruised feet.

Nam Tha goes to bed hungry, with his father's rice spoiling in the paddy. The Viet Cong mined it to halt government troops.

Stasha, too, is hungry. She lives on a big collective farm in the Ukraine. Her community produces more than enough food, but it must be shipped abroad to help spread the Revolution.

Johnny is not barefoot or hungry; he leads a good life. But Johnny too lacks something. Three weeks ago his father died in Viet Nam.

This is the real tragedy of war: what it does to the innocents—the children.

They had no part in its making; yet, they are the ones who suffer. War takes the shoes off their feet, the food out of their mouths, and their loved ones from them. War teaches them to hate. Put Johnny and Stasha together in a yard and they would play happily. But tell Johnny that Stasha is Russian and tell her that he is American and they would fight. Johnny knows that Russians are bad, and Stasha knows that Americans are bad.

It is for these children that we must have peace. They must have the chance to live and grow in a world that knows not the hatred and bitterness of war. For Johnny and Stasha it is too late. Their lives are already drawn into the complex web from which there is no escape. The hope must be for their children.

Lord, men are willing to fight and to die for peace. They are children stumbling in the dark. Man seeks peace, but he does not know how to find it. Please, Lord, take his hand and show the way.

Father, we need Thy help. Alone we are lost, for we have not the knowledge nor the wisdom to find what we seek or to keep it if we should chance upon it. We will not fail. Someday man shall have peace, for with your guiding hand we cannot fail. Please, Lord, lead us to peace.

Show us, Lord, the joys of living,
Bless our pathways with Your Love,
Give us songs and birds and flowers,
Trees below, blue skies above.
Tune our ears for hearing laughter,
Place upon each face a smile,
Raise our values always higher,
Making every day worthwhile.
Shine the sun where clouds have
threatened,
Let new life and hope increase,
Give us strength to keep on striving
Until the whole world lives in peace.
Amen.
