## Celestyn Baker ~ Jr. Past Grand Worthy Advisor ~

Good Day,

I would like to start by saying a huge thanks to all you young ladies for this incredible year with you all. You all have supported me so much this past year just by being you and I cannot thank you enough for that.

I had so much fun last year at the leadership retreat with all of you. I loved playing those fun games and learning more about what NAMI does. In March we had the Cornerstone of Kindness event where you all painted such lovely rocks. I hope you all were able to share that joy in your community by placing those rocks around. I also had a lot of fun learning about different insects and seeing the beautiful butterflies at the Butterfly Pavilion. All of you were so amazing sharing all those cool facts. Next was the Taking the Reins event looking at the Remount Foundations Equine Therapy center. You all looked

so at peace with the mares and it was so much fun taking that hayride. Lastly was the Escape room Worthy Advisor Cora and I created. You all were able to figure out those clues so fast and get those special cupcakes! I hope you all had as much of a blast this year as I had with you all. You are such a joy to be around and I know you will all have a great year with Kaitlynn as your new Grand Worthy Advisor.

I would also like to thank my parents again for all their hard work in helping me get through the last 2 years and make all the decorations you saw at Grand Assembly. Thank you Mom Julie and Angela for all your hard work this past year as you transitioned into new positions. It was difficult but it will get easier as the years go by. Thank you Mr. and Mrs. Kier for all the letters you have sent me this past year with your amaz-

ing updates. Thank you to everyone who donated to NAMI this year. It will help so many people and do so much good in this world. Thank you Jenna and Annamarie for all your support and strength. You have inspired me more than you know. Thank you Momma G for all your guidance during my year as Grand Worthy Advisor. I hope you have lots of fun with your granddaughter Ava. Thank you to the Grand Executive Committee and Grand Planning Committee for making Grand Assembly the best it can be despite the COVID circumstances.

Kaitlynn, you are going to be such an amazing Grand Worthy Advisor and help the girls of this organization so much. I know you will Find yourself in the Sea this year. Stay strong and call me anytime you need. Kelcey I'm so excited to see you go in as Grand Worthy Associate Advisor and I know you'll make such an amazing Grand Worthy Advisor next year. Thank you again, I love you all. Become the best person you can be.

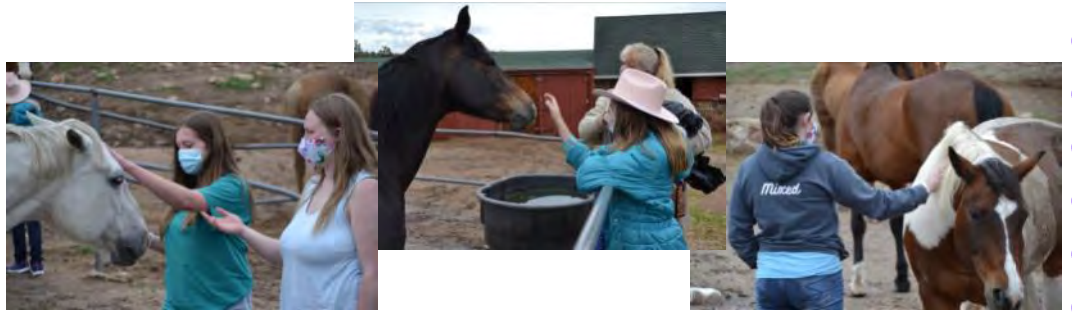

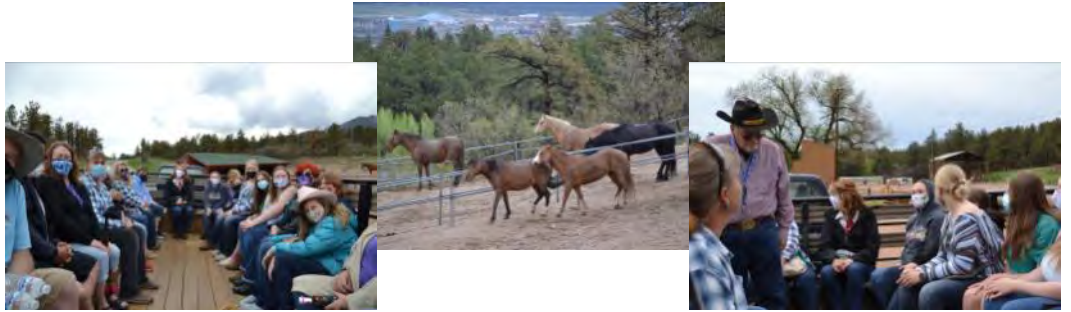

May you always live fully,  
*Celestyn Baker*

# Jenna Rainbow Sister of the Year 2021

My name is WynterAnn, and I am with Columbine Assembly #96 in Golden Colorado. I would like to recognize Jenna H. from Pikes Peak Assembly #4 for all the hard work she has given to Colorado Rainbow.

Jenna has inspired me in Rainbow! She made me want to become a Grand Person. She was different from most people. She had a lot more energy! She went everywhere all of the time (even before she was Grand Worthy Associate Advisor) and always helped out if there was a need.

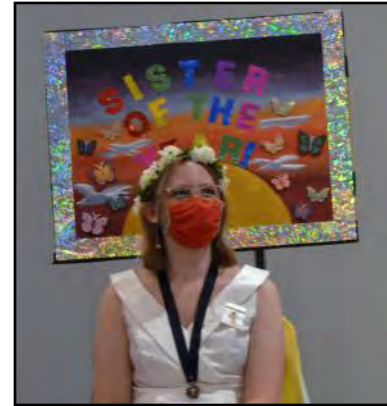

Jenna always had a smile and gave hugs to everyone freely. She made a point to say hi and make you feel welcome, even when she was busy or had her hands full. She never made anyone feel like they were not important or not a part of her pack. If you were a person in Rainbow, you are her pack. Jenna always made you feel loved and you were wanted there.

She is fun to be around, even when she was doing her homework. She did not have to be doing anything in particular. It was just her laughing and giggling that made you want to join in! Jenna has a personality that says, "even though we are busy, let's still have fun"!

Jenna is outgoing! She always tried to make sure that everyone had fun at her events. If she saw you sitting out or just on the side, she would try and get you involved somehow and make sure you were not left out, feeling alone or unwanted. She would smile and just sit there with you if you did not want to join in.

Jenna always asked to see what I was drawing. Even if it was just the beginning of my work, like a circle and lines. She always said how cool my drawings were and made me feel good about what I was doing. She was always super positive!

Jenna wears a dress when she has too, but she never really cared what you had on as long as it fit what was going on. The clothes didn't matter. She never looked down on what you were wearing or looked

at you weird for wearing different stuff. She would wear whatever she wanted as long as she was comfortable. I would show her my tennies under my formal dress and she would giggle. You were what mattered.

Rainbow teaches duty four fold – I think Jenna lives this. She loves and respects her family. She is always respectful to all the adults and girls she is around. She is true to herself and lives the way she wants to and does what's right for her needs. ***You cannot inspire people to be who they are, without being yourself first!***

The best communication skill I have learned from Jenna is... if they are not paying attention, throw candy at them! You need to have fun and make it so they want to listen to you.

Jenna remembers her ritual work and she is good at it! Even when she stumbles she just keeps going without missing a step. She just has that attitude of going forward without stopping so that no one knows she messed up. She just keeps going like, "that was the past and let's just keep moving forward"!

The events that we have attended together were not over the past year – hello Covid! I think I have only seen her a couple of times this past year. I think it was the two days of Grand and one time at her assembly before that...and then on Zoom. But before Covid, she was traveling to OV's, the GWA fun activities and a few other events.

To sum it all up she is a kind, fun and a girl full of hope who I have gotten to know over a very long period of time. She is a person who I idolize for being herself and encouraging others to be themselves.

Rainbow Love,  
*Wynter*

# Kaitlynn Martin ~ Grand Worthy Advisor ~

Good Day Colorado Rainbow,

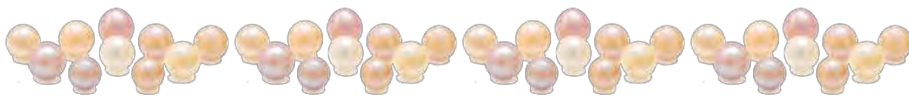

I am so excited! We had such a good year even though there were countless obstacles we as an organization had to overcome during this pandemic! I believe the 2020-2021 year went well and I can't wait to see all of you around this coming year! I would like to thank you all for attending the "Rise up and Fly" Grand Assembly. I know Celestyn really appreciated you all. I was also super excited to see you all at the installation of Grand Officers and Grand Cross of Color Team for the "Find Yourself in the Sea" term! I would like to congratulate my sister and Grand Worthy Associate Advisor Kelcey M. I am so excited to be working with you this next year. Thank you all for your

constant support, and remember "Be like the ocean, breathtaking to look at, strong enough to not be destroyed, and gentle enough so others find comfort in your presence." - C.W. Brooke
