Kaitlynn Martin ~ Jr. Past Grand Worthy Advisor ~

Hello Colorado Rainbow,

This past year has been so much fun! I loved being your Grand Worthy Advisor and creating so many memories with you! The Alpine Slide was so much fun! Racing down the mountain against each other and just spending the day enjoying each other's company. Mom Julie was quite the racer! The Leadership retreat was probably one of my favorite activities! We all grew so much as Rainbow Girls. The cooking challenge we all participated in was a hoot! We all had the same ingredients and each team had to make something to eat. We had chicken Alfredo pasta, chicken Alfredo pizza Alfredo flatbread, and oh the laughing as we baked!! We worked on our speaking skills and made blankets for the Linus Project. We delivered them to the director after Grand Assembly and she was so appreciative. Thank you all for your commitment in making those blankets. I am sure they will be comforting to those who need them. I heard the Aquarium was a blast! The silly weather and snow packed/ icy roads kept me

home, but I was so happy Kelcey was there to fill in! I have so many wonderful thoughts of each of the Official Visits along with my Homecoming that it would fill the entire Covenant! At the beginning of my term I shared a quote that said & I quote; "Be like the ocean, breathtaking to look at, strong enough to not be destroyed, and gentle enough so others find comfort in your presence" (CW Brooke). I think each of you grew so much this year. We had so many fun and exciting events that brought each of you out of your comfort zone and helped you all become closer.

Another event that was extraordinary was Grand Assembly! It was so exciting to join with DeMolay and hold our first joint Grand Assembly/ Convention!! We had so much fun and I hope they continue to keep this event going for many years!! I hope you all enjoyed the fun break at Elitch's. I

know I had a blast.

The new Grand Worthy Advisor Kelcey Martin has so many fun and exciting things planned for you this next year. She really listened to all of you when those who attended the leadership retreat commented that the only way it could have been better was to be longer! So, everyone get out your calendars and plan on her retreat in September! The horse back riding will be one of the many memories she has planned and one event not to miss!! I would also like to say congratulations to Desiray on her election to Grand Worthy Associate Advisor! You are going to have such a blast travelling with Kelcey. I know I sure did!

I love and appreciate each and everyone of you, and hope you all will Find Yourself in the Sea!

Sending Smiles Your Way,

Such an
AMAZING
young woman!

Kaitlynn Martin, my Rainbow Sister, and my actual sister, is hands down the best candidate for this award. Look at her, how can you not agree? Now, I get it. I am completely and utterly biased but in my defense, even if I was not her sister, I would still think she is the best. Not only is she a perfect image for incoming Rainbow Girls, but she is my older sister and has helped shape me into who I am today. Don't get me wrong, Kaitlynn and I are opposites. Sugar and spice if you will-her obviously being sugar. She is the better half of me and everything she has is what I aspire to be. Everyone who knows her can see the love she has for Colorado Rainbow. Starting in Monte Vista Assembly, she worked very hard and moved up the line. Now, she is your Grand Worthy Advisor. She is calm and collected and loves everyone no matter their background. She is patient and cool headed, she is quick to ask questions, but slow to get angry. I can only hope that someday I will have these skills as mastered as she does. Here are my favorite things about her that make her a fantastic Rainbow Girl, and an even better Big Sister. Before any Rainbow event, she comes into my room at least 7 times- no exaggeration, to ask my opinion on her shoes, hair, dress, even her earrings and rings, which of course have to be perfectly matched. She always applies herself 100% and wherever she is, she gives it her undivided attention and makes whoever is talking feel like they are the most important person in the whole world. She shows younger members the importance of taking pride in yourself and your image because when you feel confident in yourself, you recite your part better. Our website states, "The International Order of the Rainbow for Girls is a Masonic youth service organization that teaches leadership training through community service. Young women learn about the value of charity and service through their work and involvement with their annual local and Grand service projects." Kaitlynn is the post-

er child for this because she is an active member of our community, and a continuous volunteer of her college campus. Last year, she volunteered as an assistant coach at one of our local high schools and did such an amazing job, they hired her on as an actual coach. There have been multiple kinds of opportunities like this because anything she wants, she fully applies herself to. She helps with multiple Masonic events around the San Luis Valley. Just recently, she was asked to pin a 50 year membership pin on a Mason. She works on her memorization so that she presents it flawlessly and with the most meaning. Kaitlynn is always smiling. She includes her Rainbow sisters in activities, and nine times out of ten you will find her talking to the younger girls and getting them involved. I have learned a lot from her in that way because it is easy to pull the "I just drove five hours so I just wanna be alone" card but she has shown me that the love for this organization trumps everything and she definitely leads by example. I have had an amazing opportunity to see her grow into an amazing young woman. She will never cease to amaze me. When we traveled together over the years, she was either bouncing in her seat about seeing everyone, reciting her part, walking through every step of her to do's, or singing at the top of her lungs. Everyone says when you become Grand Worthy Advisor you hope that whoever your Grand Worthy Associate Advisor is, helps you and grows your love of Rainbow, but no one ever says how lucky the Grand Worthy Associate Advisor is to have such an amazing role model to observe for a whole year. I will forever be grateful she was the Grand Worthy Advisor I have been so privileged to follow around for the year. Kaitlynn loves fully, unselfishly, and wholeheartedly and this essay does not even begin to explain how deserving she is of this award, and how lucky I am to have her as my Big Sister both in and out of Rainbow.

Kelcey Martin ~ Grand Worthy Advisor ~

Hello Colorado Rainbow!!

The amazing 2021-2022 "Find Yourself in the Sea" Grand Year has ended! Not only did we get to travel to multiple fun events, but we also got to attend the first combined Colorado Rainbow Grand Assembly and DeMolay Convention!! It was amazing! I also got to travel with Past Grand Worthy Advisor Kaitlynn-my Rainbow Sister and actual sister!

It has been a dream come true to be Grand Worthy Associate Advisor but with this year wrapping up, my Grand year is beginning! We have so much planned for the 2022- 2023 "Be The Pilot of Your Destiny" Grand year. The first thing being our Leadership retreat! It is going to be a blast! We are going to be combining multiple events into one fun filled weekend! It will be Labor Day weekend and will encompass leadership, school of instruction and a horseback trail ride! Keep an eye out for more information! As we kick off this Grand Year, I would like to congratulate Desiray, the new Grand Worthy Associate Advisor. This year is going to be so much fun! AeroAngel

This worthy program helps ill children travel to distant, life-saving medical care on private jets at no cost to their families.

This year, I will give each Assembly a spare change receptacle to place at each Lodge. Encourage our Masonic Family to donate their spare change or bills to help this worthwhile and lifesaving cause. The Assembly who can raise the most money will receive a cotton cady movie party just before Grand Assembly.
