What a BITTER-SWEET Covenant! I hope everyone has been doing well since our last fun event at LAVA Island! I had so much fun and was happy to see such a big turnout. We had multiple prospects—one of which was just initiated! We finalized our location for Grand Assembly with a walk-through; it made me so excited to start planning the layout and everything in between! Homecoming was held in Monte Vista on April 22, and I also got to celebrate my Birthday the following day with everyone who stayed for our sleepover! As exciting as that is, it also means my time in Rainbow has come to a close. This year has flown by! Enough about the sad stuff though, how fun has this year been?? We have been all over Colorado and what feels like 10 times over. We recently had our final Official Visit in my home assembly. I loved seeing everyone—especially with the initiation of a new Rainbow Girl! I'd like to welcome Haley, not only to Rainbow, but to my home Assembly Monte Vista! As for the remainder of my term, in May, we will have a senior prom at the Eastern Star Masonic Retirement

### **“Be the Pilot of Your Own Destiny”**

Center in Denver. This is a Tri- Youth event, and is going to be so much fun! Be sure to wear Pink and sport Flamingo gear!! Whoever has more pink on than I do will win a surprise gift basket full of lots of fun things! Good Luck!

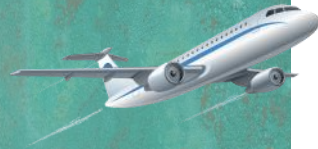

We are also getting ready for the Grand Assembly. Here are some reminders about what to do beforehand!

- Make sure to bring items for AeroAngel to the Grand Assembly (Senior Prom preferred). These Items can be coloring books, colored pencils, small beanie baby stuffed animals, and crossword puzzles. Small trucks also work!

- Your snacks! Mother Advisors should have an email with snacks Assemblies can bring!
- Make sure to bring your cowboy boots as well!
- Be sure to pack your Grand Officers' bow/corsage! Remember, there is a fee for losing it!

I can't wait to see everyone at the Senior Prom as well as in June at Grand Assembly! Time is ticking, and I hope you all are as excited as I am! Good luck to all of you lovely ladies as this year is coming to a close. I hope finals go smoothly and you end the year with a bang! “Do all the other things, the ambitious things—travel, get rich, get famous, innovate, lead, fall in love, make and lose fortunes...but as you do, to the extent that you can, err in the direction of kindness.” —George Saunders. Please don't hesitate to reach out with any questions!

Rainbow love,

## Pikes Peak #4

Pikes Peak Assembly #4 has had loads of fun this year! Since January we've attended some of the Grand Worthy Advisor Kelcey's events such as the Ritual Tournament and the Air & Space Museum! We've also held some Assembly events such as painting pottery and watched Piper and Anastasia's winterguard show!

In January, we had my installation! The continuation of my one year term! After the Installation, we painted pottery! We got to see everyone's artistic side. Everyone had so much fun!

In February, our first meeting was a practice

meeting. Lily and Elizabeth represented Pikes Peak at the Ritual Competition in Denver. Elizabeth got 2nd place Pot of Gold, 1st place Senior Bow Station & Rainbow Master Ritualist. Lily got 2nd place Chaplain's Challenge, 1st place Junior Bow Station & Overall Tournament Master Ritualist. Congrats to Lily and Elizabeth, we are very proud! Our second meeting was a Valentine's meeting, we had yummy treats! We made our script for visiting all the masonic groups; our goal was to go to masonic groups and spread the word of Rainbow. We also got our pottery

back. Everyone was so excited! Lily went to the GWA - Air & Space Museum!

In March, we had a dine out fundraiser at Mod Pizza for the Grand Service project! Our first meeting was a fun meeting! We watched The Last Unicorn (the 1982 film). It was fun! The second meeting was Annika's farewell. Personally, it was emotional. I've known Annika ever since I've been in Rainbow, so I teared up a bit.

We were VERY busy during April, we had something on 4 out of the 5 weekends! Sure, we were busy but every minute of it was FUN! On April 2nd we had Obligatory Sunday and went to Discovery Church to celebrate Rainbow's 101st Birthday. It

## Pikes Peak #4... continue

was so cool! They had a BIG band and there were flashing lights! Our first meeting was a fun meeting where we went to watch Anastasia and my winterguard show! They also watched my coaches show too! Stephanie, April, and the Pilato's went to Dairy Queen before the show. Anna, Tammy, and my family went after. On the 15th we went to the Shred-A-Thon Fundraiser in Denver. Anastasia, Lily, Anna, and I attended. Jake (Lily's brother) and Austin (my brother) held the sign! April 20th was a normal meeting, and we learned more information on Grand!

On April 22nd we went to GWA Homecoming in Monte Vista! Maddie, Abby, and I went. After the meeting we went bowling! It was so fun! Then we went to bed and watched the movie

Mirror Mirror, I loved it. We woke up to a delicious breakfast! The hash browns were so good!!! We went to the Wacky Tea Serving Fundraiser on April 29th. Anastasia, Lily, Elizabeth, Gabby, and I attended plus Jake and Austin. But we also had a prospect come with us! Her name is Maya (she is a friend of my brother). At first, she just wanted to hang out with him, but then we got her interested in Rainbow. I am inviting her to our next fun meeting/event! April made a very cool video to celebrate 101 years of Rainbow! It made me a little emotional with all the years I've been with Rainbow.

We've gone to visit over ten Masonic Organizations to share the amazing things Rainbow can do for young girls in an effort to bring more girls into our Assembly.

It's been great to talk about Rainbow and to visit these groups with Colorado Springs DeMolay. Upcoming, we have our Dart Warts Prospect Event on May 13th at the brand new North Colorado Springs! We are hoping to have a TON of prospects there and any of our fellow Rainbow sisters are invited to join as well!

As you can see, Pikes Peak has had a busy couple of months, and we can't wait to see what is in store for the rest of this year! We are excited about more fun events and hopefully bringing some new members into Rainbow! Can't wait to see all my Rainbow sisters in the next couple of months or at the Grand Assembly in June!

Rainbow love,  
*Piper J*

**Monte Vista #23**

Hi from Monte Vista #23

I hope everyone's Holidays were great and time spent with families were enjoyed. Monte Vista Assembly has been very busy. In January most of the Assembly attended the Stock Show in Denver with Kelcey. I had never been to a Rodeo, so this was a first for me and we all had a great time. I tried really hard to talk my Aunt to getting me a goat, but it did not happen. We also mailed out several Valentines cards and stickers to Representatives in other states so that they would be received before Valentines Day.

In February, we did a Valentines Fundraiser selling Chocolate covered Strawberries and Red Vel-

vet cake Pops we put together and had a sleepover where Kaitlynn did our proficiency. The next day Mr. and Mrs. Martin helped with youth protection with several of our Board Members that we needed for Supreme. We had a lot of fun joking and getting to know our Board members.

In March, we worked on our parts for the upcoming Homecoming for Kelcey and balloted on 2 petitions. We also attended the Lava Island New Member event and 1 of the prospects attended.

In April, I attended the Shred-a-thon while couple of our girls worked at a booth at a local craft fair selling baked goods and promoted Rainbow. We

had Kelcey's Homecoming and welcomed our new sister Hailee. We will be doing another initiation soon for our other prospect since she couldn't make that date. Thank you to all the girls and Assemblies that traveled to be with us and helped fill in stations, we really appreciated it. We went bowling after the meeting and then came back to the Hall for dinner and the sleepover, waking up to Dad Lawrence as an alarm and breakfast. On April 29th we will be serving at the Lincoln Day Dinner.

We look forward to seeing everyone at the last part of Kelcey's Term.

# Columbine #96

Hello from Columbine Assembly. I hope you all had a wonderful spring.

To start off in January, as my last activity meeting, Columbine had lots of fun making and baking pizzas. The interesting part was figuring out how to shape the pizza dough without it shrinking. At my last business meeting as Worthy Advisor we had a cozy slipper night. I received an M&M pillow and will always remember my M&M term. I also had the chance to attend the stock show for the first time with our GWA Kelcey.

Desiray was installed as Worthy Advisor and her theme is "Oh What A Musical World". Throughout De-

siray's term so far, she planned wonderful activity meetings. For example, a valentine party, musical night with many different instruments, a game night, and we are looking forward to musical jeopardy in July.

Also, all the girls are excited to welcome our new member Miki, a friend of Hope. We hope she creates many memories of fun while in Rainbow. We would also like to welcome Ceili into Columbine. We are sad to see Littleton go dark but excited to have her join our Assembly.

During Desiray's term we have been glad to help serve Golden Lodge dinners. We also participated in the Ritual Tournament and at the Grand

Assembly Shred-a-thon. We almost filled up the truck.

In April we held our annual Craft Fair. This year we had many vendors and loved to see all their creativity. My favorite was the henna booth where visitors could get their own free sample of henna. The girls had a fundraiser for lunch and made many tacos.

We are all looking forward to seeing everyone at Grand Assembly! Columbine's next installation is coming up on July 1st at 4pm and we would like to invite you all.

Sending rainbow hugs & tugs,  
*Kayla C.*
