## Desiray Glasmann ~ Grand Worthy Advisor

Hi Rainbow friends!

I want to congratulate all of you for making it through the year. As my term comes to an end, I am incredibly saddened to say goodbye to it. I have loved traveling with all of you and getting to see your smiling faces so often. GWAA Tess has been nothing short of amazing and I will miss getting to lead with her by my side. However, I am very excited to see all of you at Grand and getting to see what GWAA Tess has in store. I hope you all enjoy Grand. We have a lot of fun things planned that I am looking forward to! Be sure to submit your wishes! I am hoping to get through a lot of them this year! I am also excited to initiate our new sister! I hope you all continue working on membership so that we can grow this wonderful organization that has given so much to

me.

I hope that you all remember even past my term that you can do anything that you wish to do. Women are strong and capable and I see so much potential in each and every one of you. I hope as you go through life you know that you have sisters that will always support you no matter what. This organization does so much to make sure that we can achieve our dreams and never forget that we are here every step of the way.

I want to do a few thank yous as well. I want to thank all the assemblies for everything you have done for me, especially my assembly Columbine. The advisory board and Mrs. Cabbage have been so kind and helpful throughout my term and I always know that I can count on them. I also wanna thank Mom Julie and Mom Angela for everything they have done for me the past two years. I can never repay you both. I hope every one of you knows that I am forever grateful and thankful for everything that you do.

Thank you for everything that you have done this year you have made everything feel more bright.

Rainbow smiles,  
Desiray Glasmann

Hello Colorado Rainbow!

Grand Assembly is sneaking up on us, I am so excited to see all of you there. As Desiray's term is coming to a close, I continue to look back on all the fun memories that we have made this year, of course my favorite would have to be School of Instruction, I loved they way things were different this year, and I loved watching "Halloweentown" before we went to bed. As I am busy planning my upcoming term, I'm hoping we continue these fun ad-

ventures as we go along together. I want to thank all of you for supporting me through this year with such love and kindness <3. To our Grand Worthy Advisor, Desiray, I have loved spending your term with you as you lead the way for me. I am so excited to see what you have in store for us at Grand Assembly. I'm wishing everyone good luck as we're ending the school year and hoping you all did well on finals.

Hugs,

## Pikes Peak #4

Hello Colorado Rainbow! I am Lily from Pikes Peak Assembly #4. In January we met for the girls to plan out this term (January-July) since we don't have a Worthy Advisor. So many fun things are scheduled! Then we had election with Piper serving as Worthy Advisor (**AGAIN!** because she's so amazing!), and I was elected as Faith!

Going on to February we started it off with the State Ritual tournament with DeMolay. Everyone performed so beautifully. From Pikes Peak we had Zyrh perform and she won first place in the Test Oath. She also won Rising Star for Rainbow which is for girls who just joined Rainbow and are competing for their first time. I was recognized for my ritual performances as well and I can't wait to compete again next year! Next in Febru-

ary we delivered cookies to local firefighter stations for Valentine's Day. The first station we went to had a special mission to help with SWAT. The other station helped with Colorado wildfires. They gave us a tour of the fire houses and were really excited about the cookies! Then the GWA Milk Science Workshop was held, and we made so many cool things and learned all about milk. We made butter, ice cream, and dip in dots. My favorite thing we made was the butter but the ice cream and the dip in dots were also very delicious. The last thing we did in February was our Installation. Zyrh and Rozlyn are already proficient so they were installed as Officers for the Assembly. Way to go girls!!!!

Heading into March we held our first fun event of the

month, and we went bowling with two prospects attending. Next was our Butter Braid fundraiser. This was a killer event selling over 130 butter braids in just a few weeks!!!! Then was the Monte Vista OV so many girls attended this OV, and we had two girls from our Assembly. Our most recent event was a dine out at Applebee's to raise money for the Grand Service Project. We raised over \$180 and Zyrh ran this fundraiser, she did an awesome job!

Now into April! Hang in there everyone ;) The beginning of April we had a Just Dance and ice cream sundae party! It was super fun to get together and dance the night away. Just a couple days later was Obligatory Sunday to celebrate Rainbow's Birthday! We all went to Ms. April's church and then for delicious pancakes at IHop after! It was great! The next weekend, four of our girls and two prospects headed up to Denver to help out at

the Shred-A-Thon. It was a beautiful day to shred paper and we had a great time! That same weekend, on Sunday April 14th we had a regular business meeting! It was a fun Rainbow-filled weekend and

month!

These are all the amazing activities that Pikes Peak Assembly #4 participated in January through April of 2024, and I can't wait for all the fun activities to come this

Spring and Summer... and I can't wait to see all of you Rainbow Girls at Grand Assembly so soon!

Rainbow Love,  
Lily P.

Congratulations Anna, Piper, & Anastasia!

# Columbine #96

Hello Colorado Rainbow! We finished up WynterAnn’s term with a Masquerade Pasta Dinner and Auction.

Kayla was installed in as Worthy Advisor in January with her term “Sweet as can BEE.”

As we buzzed into February, Desiray, Kayla, & Hope competed in the Ritual Competitions and did a great job!

Then it was time to buzz over to March & have fun playing connect four at Magill’s Ice Cream. Hope & Kayla attended the Trash Bashed and Hope had a blast pieing Kayla in the face.

Columbine also helped Mt. Zion OES with their lunch for Official Visit. Beefore March ended Kayla delivered our Buzztastic Easter cards and candy to the ESMRC residents just in time for Easter.

Beefore we knew it, it was April and time to get ready for GWA Desiray’s Homecoming. We are so thankful to everyone that attended & helped. There was so much excitement with Emma receiving her Majority and we found out GWA Desiray was appointed Acting Supreme Worthy Associate Advisor. We are proud of both of you!

As we buzzed into May, WynterAnn & Kayla went to help with the Grand Scholarship Shred-a-thon. We also recognized all our Mother’s at one of Kayla’s buzzzzzz meetings. We are also excited to announce Miki & Kayla Graduated from High School and Hope graduated earlier this year.

As we buzzed around we have enjoyed all of Kayla’s Bee Punds, as you can tell. See you at Grand Assembly.

Have a Buzztastic day! :)

Congrats to Kayla, Hope, & Miki!
