## Pikes Peak #4

Hello Colorado Rainbow girls! My name is Rozlyn, and I'm from Pikes Peak Assembly #4. This quarter has been fun and full of fun events. I was installed as Confidential Observer, and Piper Filled in as our Worthy Advisor again.

Starting in September, our first event was a BBQ at my house! We had lots of fun and put together custom bracelet packages for our Halloween membership event. Also, in September we had normal business meeting, then we had a movie night at Lily's house – we watched Hocus Pocus outside and had s'mores! Our service project was at "Love Your Neighbor" where we built bunk beds for foster kids. It was dirty

work, but so rewarding and fun!

Next, we step in to October, our first event was our OV practice! Then we had Colorado Springs #76s masonic dinner! I sadly didn't get to go because I was sick. :< It was finally time for our OV. We had walking tacos, soup and even desert tacos. We played games then had a sleepover! Thank you to everyone that attended to support our Assembly! My favorite October event was a murder mystery dinner. Guess who was the murderer? That's right, it was me. Then on Halloween, we attended a community-wide trick-or-treat event where we set up our brand-new marketing materials and a super fun witch hat

toss game. There were over 5,000 people that attended, and we talked to them about Rainbow and invited them to our membership event!

Our first event in November was PJ bowling! It was super fun, and we made several bets with the adults, so now they owe us pizza and Ms. April has to be Worthy Advisor at an upcoming meeting! Then we had a fun event with DeMolay, we went to a trampoline park, and I got stuck in the ball pit! For our November service project, we went and delivered our left-over candy from the Halloween event to firefighters! We learned what the difference between a fire engine and a fire truck is. There was a state-wide Trash Bash, and a few of our girls attended and had a great time. Then we had our first ever rainbow open house

# Pikes Peak #4... Continued

and we got an application! So exciting!

In December, our first event was Bob Tell-mosse Giveaway. I got to help kids pick out gifts for their parents. For our Christmas party, we had a fun gift exchange, games and tons of cookies and hot cocoa! Then the following Sunday we went caravanning to look at Christ-

mas Lights while on a giant group call! Ms. April can really tell a good Dad joke!! I hope you all had a great quarter! Merry Christmas and Happy New year!!

Rainbow Love,  
Rozlyn

# Grand Junction #12

Facebook updates from Grand Junction Assembly:

Grand Junction DeMolay and Rainbow girls met at the Clifton Christian church is evening to fill 100 Thanksgiving meal boxes to be distributed this next week and another pallet of Saturday pick up boxes from their food bank. Many hands made the work go quickly! Fun to step up for our community.

Our first week of December was full of fun, service and fundraising. We made Christmas ornaments with a personal message to be mailed to each of our OES friends at our regular meeting. 50 finished in the one hour was an accident!

Then was the All Masonic Christmas Party and we dressed up to present our dessert auction. The Masonic family was so generous and we made over \$1200! We also

had three of our soon-to-be sisters with us. We received our new Christmas Rainbow t-shirts from Mom Ellen. We also support Palisade Masons in the Parade of Lights and the Breakfast with Santa with Scottish Rite. We are being Merry Christmas fairies.

Grand Junction Initiated 4 new sisters in January. We had Scottish Rite members fill the room helping us welcome new families.
